UNM News Minute #440 – November 26, 2007

1. UNM'S \$143 MILLION institutional bond issue took a major step forward last week with approval by the New Mexico Board of Finance. The heart of this institutional bond issue is the work proposed for UNM's academic facilities. The university got further good news with word that bond rating agencies Moody's and Standard and Poor's have given the university a strong Aa3/AA rating.
