| | Subject | Notes | Follow-Up |
|---|---------------------------|---|---|
| 1 | Change Jar Status | <p>1A. Greg Molecke brought \$6.52 from his change jar to the meeting. The money will be added into the collection from 12/03/10 and NOT given to Linda's husband.</p> <p>1B. Linda will add up the deposits to date and include the information in the minutes.</p> <p>1C. Rudy Simchak of Chartwells said he couldn't contribute more than \$250 and asked for a letter requesting a donation. Linda hand delivered a letter to Rudy requesting \$250 on 11/24/10.</p> | <p>1B. We have collected \$465.56 since 11/2/10 so our current total is</p> <p style="font-size: 2em; font-weight: bold; text-align: center;">\$878.42.</p> <p style="text-align: center;">Environs Committee Rocks!</p> |
| 2 | More Tree Thoughts | <p>2A. The brilliant and creative Karen Wentworth thought up the idea of memorial trees as a way to get more trees on campus and more contributions.</p> <p>2B. Greg will check the graduation form to see if we can get a check box for tree donations.</p> <p>2C. Karen will talk to Sue Mortier, UNM landscape architect, to get a memorial tree donation program formalized. The program would include areas that would be untouched by future campus growth so trees could be placed there in safety.</p> <p>2D. Linda will ask the UNM Sign Shop for the cost of a plaque that would commemorate the person being honored by the memorial tree.</p> <p>2E. When we get the costs firmed for the memorial tree program we can try approaching groups such as the Alumni Association or the Parents Association for matching funds.</p> | |
| 3 | Other Thoughts | Maybe memorial bench plaques and memorial bricks for future projects. | |
| 4 | Adjourned | The committee meeting adjourned at approximately 12:20 PM. | |
