Meet Our Students Monday

by Amy Weig Pickering on September 19th, 2022 | [o Comments](#)

Piper Finley is a Student Specialist in Public Services who has worked at the library for about 3 months. She is majoring in both History and Psychology. After graduating from UNM, her plan is to attend law school.

According to Piper, one of her greatest academic accomplishments is being on the Dean's List every semester she has been enrolled at UNM. She is very proud of this!

While working at the library, Piper loves to scan articles for our interlibrary loan library users. She also enjoys assisting students with questions on chat.

In addition to her academics and working at the library, Piper likes to camp, hike, swim, and bake. Her most favorite thing is to do is spend time with her wonderful son.

Piper also has a pet Black Brazilian tarantula named Elvira who is about a year old. Her favorite food is enchiladas and she loves to bake cinnamon rolls.
