	Subject	Notes	Follow-Up
1	Change Jar Status	1A1. The change jars collected \$234.19 in December. As of 1/12/11 the fund had \$1,160.34 in it. 1A2. Nissane brought \$0.97 to the meeting. 1A3. Linda brought the \$100 check from Chartwells to the meeting.	1A1. Karen transferred \$1000.00 to the Physical Plant Grounds & Landscape section to purchase 2 hackberry trees.
2	Tree Status	2A1. The 2 trees (hackberry) we bought were planted on the north side of Mechanical Engineering during Fall Frenzy in Sept or Oct 2010 because that was the best time for planting. 2A2. The trees start flowering in Spring so we will do some kind of celebration at that time. Check the hackberrys on the north side of Architecture and Planning to see when flowering starts. 2B. Linda will check for cost of memorial signs from UNM Sign Shop. 2C1. For future Environs Committee purchases Sue M. wants to put trees 35' apart around the perimeter of Johnson Field.	2A1. Karen took "before" pictures of the Mechanical Engineering area. 2A2. Karen will get advertising for the celebration when it happens. 2B1. Sue Mortier says that she encourages donors to buy their own signs from a couple of local vendors. 2B2. Ron Sena from UNM Sign Shop said he will make the sign, excluding the stake, for \$5/each. 2B3. Linda is asking Sue M. for the cost of the stakes. 2C1. Sue M said that she was told that Johnson Field will be changed as part of the Master Plan so planting trees in that location wouldn't be a good idea.
3	Other Ideas	3A. Karen will set up a meeting with UNM Foundation and Environs Co-chairs to develop a mechanism for memorial donations. 3B. James suggested one of our committee meetings should be a walking around meeting to see where trees are needed. 3C. New member Carl Wilcox (grade 3 representative from PPD) suggested raffling off cords of wood or donated gas cards as a new way to raise money. 3D. Suzanne McConaghy suggested selling cuttings of plants as a new way to raise money.	3B. James will decide what area to walk around first.

4 Adjournment	The committee meeting adjourned at 12:23 PM.	Next meeting will be 2/3/11 at 12:00 PM in the SUB food court north seating area.
