	Subject	Notes	Follow-Up
1	Future Projects	James would like to plan a walk through campus to evaluate other projects such as safety and lighting. Nissane noted that Dean of Students coordinates annual safety walks, perhaps a partnership.	After the meeting Nissane contacted DOS and they are starting to do them every semester. The next one is Feb 15 th at 6:30. Those wanting to participate meet in ballroom C. This may be too soon for us to act on this semester in a meaningful way, but those wanting to participate in the walk may.
2	Future Projects	We discussed our role in SAM. James filled Nissane on the Environs role in the book/media exchange. Nissane filled James in Linda's idea for the expired drug collection.	We'll flush out details at a future meeting.
3	Staff for Staff	Nissane provided details on her constituent feedback on Staff for Staff. One was strategies for paying student loans, another was safety on campus, specifically walking to cars in the dark.	This information was forwarded to Mary Clark.

3 Adjourned	The committee meeting adjourned at 12:30 PM.
