CHANGE IN STAFF

We wish to call attention to the change in editorial staff, due to the graduation and departure of Douglas Osborne, former managing editor, and John M. Goggin, recorder of Indian Ceremonials. Successors to their positions were elected at a meeting held in February.

The next number of the **NEW MEXICO ANTHROPOLOGIST** will cover the meeting of the Southwestern Division of the American Association for the Advancement of Science, at Albuquerque.

Numerous individuals have indicated their desire for back issues from Volume I. Sufficient requests would make it feasible to re-mimeograph the six numbers in the first volume, to be distributed under single cover at \$1.25. If you are interested, will you please let us know as soon as possible.
