Dear Jerry:

We have two corrections to make on the LTER Advisory Committee - Coweeta Hydrologic Laboratory. First, Jim Gosz is no longer on the advisory committee because he is at the National Science Foundation. Second, Robert Coulson was omitted from the list. His address is as follows:

Dr. Robert Coulson
Dept. of Entomology
Texas A & M University
College Station, TX 77843

Thanks for making these corrections.

Sincerely yours,

D. A. Crossley, Jr.
