## 2021 Annual Report for the Justice, Equity, and Inclusion Committee

by Varina Kosovich on April 26th, 2022 | [0 Comments](#)

The HSLIC Justice, Equity, and Inclusion Committee is happy to announce the release our 2021 Annual Report. During our founding year, the JEI

Committee worked to develop a charge that reflected the values of inclusivity and anti-racism, create transparent documentation processes, and propose a budget to ensure our guest speakers were being compensated for their diligent work. In the report you'll find information about events held throughout the fiscal year, staff training initiatives and guest speakers, improvements to our spaces both physical and virtual, and a snapshot of JEI resources that were added to library collections. The report concludes with plans for the future of the committee and the coming fiscal year. You can view the entire report by [clicking this link](#) and browse all committee documents by visiting the [UNM Digital Repository JEI page](#). Have questions or comments about the JEI Committee work? Feel free to reach out to the chair, [Kelleen Maluski](#).
