I. Description of the Program's Mission

Upon completion, students will be ready to obtain an office position. In order to advance, students are encouraged to take the Microsoft Office Specialist Exam and join a professional organization such as the International Association of Administrative Professionals and work toward becoming a Certified Administrative Professional. While occupational in nature, the degree can be transferred to UNM-Main and applied toward a bachelor's in Organization, Information and Learning Science. The majority of this degree can be taken online.

II. Description of the Program's Goals

No Program Assessment has been done for OBT in the last 2 years.

Description of Program's Assessment
