## LIVESTOCK MEN WANT EMBARGO AGAINST VILLA.

### Allege His Forces Are Confiscating American Own- ed Cattle.

Word comes from El Paso that Pancho is getting in wrong with El Paso Cattle-men.

He is accused of letting his forces do as they please with foreign stock, saying that they pack their meat at Juarez, ship the hides in bond to Canada and have reshipped to United States so as to prevent inspection of brand marks.

They are to notify Secretaries Lansing and Houston about conditions, asking that an embargo be placed against importation of beef and its products into United States from Mexico.

## BURGLERS BUSY AROUND BELEN DURING WEEK

### This City Gets Benefit of Al- buquerque Police Dragnet.

For a week or ten days, Chief of Police McMillen of Albuquerque has had his men looking up suspicious characters, who usually want to make a town their headquarters during Fair week.

He has gathered quite a number of them but some left Albuquerque when they knew that their game was up and evidently thought that Belen was a good place to work as Monday night we had two burglars around here.

Manuel Sanchez's place near the Santa Fe Station was broken into and clothing, jewelry and anything loose that was found in house was taken. Mr. Sanchez was not at home and his wife had gone to sleep at "mother's."

Another house in the same neighborhood was also broken into the same night and some jewelry taken.

Another robbery but of different sort took place Monday night also, Frank Didier lost the grapes from about a hundred vines but we are inclined to believe that the one who stole them wanted to exhibit some good grapes at the Albuquerque Fair.

## LOCAL

B. Jacobson, our lumberman returned last Wednesday from the east.

C. F. Jones, local Santa Fe agent, intends taking in the Fair on Albuquerque day.

"Steve" Didier and Geo. Witzel will go to see "the biggest ever" next Friday.

H. C. Tyler and family, from Broxville, Tenn., were in town on Wednesday.

The Belen News force will take in State Fair Saturday if we can get away. Have a heart.

H. B. Keunebeck, engineer at the Belen Mills, left Wednesday morning for Albuquerque. Mr. Keunebeck has been connected with the Belen Mills for the last eight years.

Mr. L. C. Becker and wife, Mr. John Becker Jr. and Miss Lucy Becker returned from Roswell last Thursday, where Mr. L. C. Becker attended the State Banker's Association meeting. The trip was made in Mr. Becker's Auto.

The following people registered at the Belen Hotel during the week: Mabel Mar, T. P. Fergusson, Denver, Colo.; Fred Triff, Kansas City; C. W. Nottingham, Chicago; Mrs. R. L. Green, Los Angeles; Mr. and Mrs. W. J. Keeny, Clovis; S. Robinson, El Paso; R. Moore and wife, Chicago; B. Sibbaum, Chicago; J. H. Feldman, Chicago.

## Dance.

A very delightful dance, in honor of Mr. M. J. Peterson of Magdalena, New Mexico, was given last week at Goebel's Hall, by Eula and Opal Gooch. The participants enjoyed every moment of the occasion and vouch that Eula and Opal Gooch are "dandy" entertainers. Refreshments were served during the evening.

Participating in the affair were: Edna Le Brun, Marion Keunebeck, Jessie Mallow, Reesie Jenkins, Helene Hoffman, Eula and Opal Gooch and Mr. M. J. Peterson, F. C. Cummins, W. W. Rigney, W. J. Davidson, J. Clendenen, J. L. Lemstra, Skirley Davidson, Mr. and Mrs. C. P. Riley and Mr. and Mrs. Jenkins.

### Beauty and Harmony in Diversity.

ABDUL BAHÁ, IN DENVER POST.

The Creator of all is one God. From this same God all creation sprang into existence, and He is the one goal towards which everything in nature yearns. This conception was embodied in the words of Christ when he said, "I am the alpha and omega, the beginning and the end." Man is the sum of creation, and the perfect man is the expression of the complete thought of the Creator—the word of God.

Consider the world of created beings, how varied and diverse they are in species, yet with one sole origin. All the differences that appear are those of outward form and color. This diversity of type is apparent throughout the whole of nature.

Behold a beautiful garden full of flowers, shrubs and trees. Each flower has a different charm, a peculiar beauty, its own delicious perfume and beautiful color. The trees, too, how varied are they in size, in growth, in foliage—and what different fruits they bear! Yet all these flowers, shrubs and trees spring from the selfsame earth, the same sun shines upon them and the same clouds give them rain.

So it is with humanity. It is made up of many races, and its people are of different color—white, black, yellow, red and brown—but they all come from the same God, and all are servants to Him. This diversity among the children of men has unhappily not the same effect as it has among the vegetable creation, where the spirit is more harmonious. Among men exists the diversity of animosity, and it is this that causes war and hatred among the different nations of the world.

Differences which are only those of blood also cause them to destroy and kill one another. Alas! that this should be so. Let us look rather at the beauty in diversity, the beauty of harmony, and learn a lesson from the vegetable creation. If you beheld a garden in which all the plants were the same as to form, color and perfume, it would not seem beautiful to you at all, but rather monotonous and dull. The garden which is pleasing to the eye and which makes the heart glad is the garden in which are growing side by side flowers of every hue, form and perfume, and the joyous contrast of color is what makes for charm and beauty; each flower, besides being beautiful in itself, brings out by contrast the qualities of the others, and shows to advantage the special loveliness of each and all. Thus should it be among the children of men! The diversity in the human family should be the cause of love and harmony, as it is in music, where many different notes blend together in the making of a perfect chord.

If you meet those of different race and color to yourself do not mistrust them and withdraw yourself into your shell of conventionality, but rather be glad and show them kindness. Think of them as different colored roses growing in beautiful garden of humanity, and rejoice to be among them. Likewise, when you meet those whose opinions differ from your own, do not turn away your face from them. All are seeking truth, and there are many roads leading thereto. Truth has many aspects, but it remains always and forever one.

Do not allow difference of opinion or diversity of thought to separate you from your fellow men, or to be the cause of dispute, hatred and strife in your hearts. Rather, search diligently for the truth and make all men your friends.

Every edifice is made of many different stones, yet each depends on the other to such an extent that if one were displaced the whole building would suffer; if one is faulty the structure is imperfect.

Bahá 'o'lláh has drawn the circle of unity; he has made a design for uniting all the peoples, and for gathering them all under the shelter of the tent of universal unity. Leave all thought of self, and strive only to be obedient and submissive to the will of God. In this way only shall we become citizens of the kingdom of God, and attain unto life everlasting.

## Federal Grand Jury To Remain Working.

The federal grand jury now in session at Santa Fe, will possibly conclude its work during this week, although they have quite number of cases to try yet as the United States District Attorney's office has prepared plenty of cases for the grand jury's consideration.

Good Selection. Should  
Bring Results.

One of the best bits of news  
that we have had from Albu-  
querque in a longtime is that  
Prof. Roscoe A. Hill has been  
appointed professor of history at  
the State University.

Mr. Hill comes highly recom-  
mended and should be of great  
help to the University and New  
Mexico, where he will find a  
field just suited for his work.

The announcement that plans  
are to be formulated to prepare  
University students for positions  
and work in the Latin-Amer-  
ican republics are very encour-  
aging and Dr. Boyd will be-  
come one of New Mexico's  
great benefactors if he puts his  
plans into effect.

Dr. Boyd will succeed in his  
meritorious attempt if the people  
of New Mexico realize the ben-  
efits that are to be derived from  
his efforts and are willing to co-  
operate with him and encourage  
him along. He needs all the  
help that can possibly be given  
him, as there are certain condi-  
tions that will have to be met  
and overcome.

The press of New Mexico  
could help the president of the  
University along, by making a  
united effort in explaining to its  
readers the possibilities that are  
in store for the young people of  
New Mexico, if they only edu-  
cate and prepare themselves along  
the lines suggested by Dr.  
Boyd.

We still insist on getting that  
Farm Agent for Valencia county.

How the French must wish  
for a "Ney" and the English  
for a "Wellington."

Once more has Mexican Di-  
plomacy been a victor in deal-  
ing with U. S. Carranza is to  
be recognized.

"Bob" Putney comes of a  
successful family so why  
shouldn't he make a success out  
of the State Fair.

Talk about success of the  
Wilson administration. Ask  
McAdoo, Sayre and Woodrow  
himself about it.

Some one has suggested that  
if "Villa had Gen. Urbina exe-  
cuted for being a murderer it  
with he, only a little while be-  
fore Gen. Villa commits suicide."

You can bet your last dollar  
that Valencia County's delega-  
tion at the school encampment  
at Albuquerque will make a  
showing. Supt. Baca and Mrs.  
Fox will see to that.

Kuropatkin is now at the head  
of Russian forces. If Russians  
had sense enough to leave the  
"Kuro" and the "kin" out of  
his name it wouldn't be long be-  
fore you would see Germans re-  
treating towards Berlin.

Good Roads Cloudcroft.

Mr. James A. French has  
spoken. He is at the head of  
road building in the State of  
New Mexico and when he com-  
mands the work begins. He  
tells The Cloudcroft that the  
work out of Cloudcroft on that  
Cox Canyon road will begin this  
week. We have been unable  
to find those men who some-  
time back were "somewhat  
peevish" regarding certain road  
work up this way, quite a num-  
ber of them were really "sore"  
at The Cloudcroft for some  
things we advocated, but they  
have all forgotten the past and  
they now look only to the future,  
some of them even to the extent  
of looking for a job on the road  
work that is going to be done on  
the COX CANYON ROAD.

The Country Editor.

He might have been a millionaire,  
And won financial fame,  
Or sat in a director's chair,  
Had money been his aim;  
He chose instead to spend his  
[years]

In service poorly paid,  
And with the paste pot and the  
[shears]

A humble living made.  
He chronicled the town's events;  
The local goings-on;  
His fellow townmen's hopes and  
[bents]

Inspired his lexicon;  
He left the public pulse that beat  
Around him, and he tried  
To make his little country sheet

A thing of local pride.  
Unselfishly, with all his heart,  
He strove but to upbuild  
His town, of which he was a  
[part,]

Withd great ambition filled.  
He spoke well of his fellowmen:  
He praised when praise was  
[due]

He wielded but a kindly pen,  
And no reward he drew.

It Will Pass.

The futura shall bury  
The now—as the woe  
On the field of a battle  
By verdure is hidden;  
And hope will return

Like the harvests that grow  
Where cannon have plowed,  
And the cavalry ridden.

—Ironquill.

## Valencia County Need a Farm Agent.

Valencia county wants to get  
"Next". It should devise ways  
and means of getting a county  
farm agent. We need one and  
want him pretty "pronto". The  
idea of having one of the finest  
farming sections of the state and  
lagging behind in the produc-  
tion of farm products is a kind  
of a hard dose to swallow and  
all because we don't take ad-  
vantage of the knowledge someone  
has and we hav'nt.

The writer has no apologies  
to offer. He is sincere in his  
efforts and feels certain that the  
suggestion of getting a county  
farm agent will be accepted in  
the spirit that it is meant.

If you are in doubt as to the  
benefits that are to be derived  
from a county agent read what  
the SOUTHWEST RANCH-  
MAN has to say about it:

"COUNTY AGENTS MAKE GOOD"

"A. C. Cooley, State Director  
of agricultural extension work  
for the State College of Agricul-  
ture states that the work of the  
county farm agents thruout the  
State, of which there are now  
seven, has proved highly satis-  
factory, and that in all of the  
counties where the agents' con-  
tracts with the counties, have  
expired they are being renewed.  
The county agents, he declares,  
have been of great practical aid  
to the farmers and stockmen—  
a statement that will not be  
disputed in any county where  
they have been employed. Every  
county in New Mexico should  
have its farm agent; it can not  
afford to be without one."

## • Great Family Combination Offer •

We do not know of any Family Weekly that we can more heartily recommend to our readers than The Youth's Companion. It gives us pleasure, therefore, to announce that we have arranged with the publishers to make the following offer.

### "Cured"

Mrs. Jay McGee, of Stephenville, Texas, writes: "For nine (9) years, I suffered with womanly trouble. I had terrible headaches, and pains in my back, etc. It seemed as if I would die, I suffered so. At last, I decided to try Cardui, the woman's tonic, and it helped me right away. The full treatment not only helped me, but it cured me."

**Cardui**  
The Woman's Tonic

Cardui helps women in time of greatest need, because it contains ingredients which act specifically, yet gently, on the weakened womanly organs. So, if you feel discouraged, blue, out-of-sorts, unable to do your household work, on account of your condition, stop worrying and give Cardui a trial. It has helped thousands of women, — why not you? Try Cardui. E-71

Because

They have never contributed a cent to furthering the interests of our town—

Every cent received by them from this community is a direct loss to our merchants—

In almost every case their prices can be had right here, which delay in receiving goods and the possibility of mistakes in filling orders.

But---

The natural human trait is to buy where goods are cheapest. Local pride is usually secondary in the game of life as played today.

Therefore

Mr. Merchant and Business Man, meet your competition with their own weapons — advertising.

Advertise!

The local field is yours. All you need do is to avail yourself of the opportunities offered. An advertisement in this paper will carry your message into hundreds of homes in this community. It is the surest medium of killing your greatest competitor. A space this size won't cost much. Come and see or write us about it.
