HSLIC Board Vitals Subscription

by Robyn Gleasner on April 13th, 2022 | [o Comments](#)

HSLIC now has a subscription to Board Vitals!

Board Vitals is a medical licensing and board exam resource. It includes practice questions for the following Dental Hygiene, PANCE, Rad Tech, Pharmacy, USMLE, NCLEX, Critical Care Nursing, Certified Nurse Midwife, Psych Mental Health, Pediatric Primary Care, Adult Gerontology Primary Care, Adult Gerontology Acute Care, and Family Nurse Practitioner.

The existing USMLE Step 3 and PA accounts have been combined with HSLIC's account, so access will not be disrupted. Students will be able to access the resource as they normally have. New students and faculty can register using their @salud or @unm email addresses.

[Login or Register Here](#)

For more information and user guides, please see:

[How To Use the App](#)

If any faculty would like to convert their accounts to admin accounts or if you would like to learn more about Board Vitals, please contact [Robyn Gleasner](#). Admin accounts will give faculty the capability to create assignments for your students.

Please share with any faculty or students who might be interested.
