BELEN, NEW MEXICO, OCTOBER 28 1915.

NUMBER 48

STATE ENGINEER SHOWS WHAT COUNTIES WILL HAVE FOR THE ROADS DURING YEAR.

in connection with his estimate of the total of all funds that will be available for road building and improvement in New Mexico in the next year, State Engineer James A. French presented to the members of the New Mexico Association of Highway Officials figures showing what each of the twenty-six counties will have as a result of the county levies and the distribution of the proceeds of the state highway bonds. As announced, Mr. French placed the total that will be available from all sources at \$1,247,227. His figures for the counties follow:

AS THE EDITOR SEES IT

If you want to kill the prosperity of this town, if you want to make it financially hard up, IF YOU WANT TO BUST IT, just keep right on sending your money to outside firms and especially to the mail order man.

If you want to make Christmas a mockery in this town if you want to contribute your share toward pauperizing the business interests of this community, just keep right on sending your money to other places and you will succeed.

If you want to decrease the value of your town property or of your farm, if you want to make local conditions such that no one would risk buying your property, just keep right on patronizing mail order men and other foreign concerns and you will wipe out your own accumulations of years.

But if you don't want to do these things—if you are in real ity what you profess to be, a good citizen—BUY IT AT HOME THIS CHRISTMAS AND KEEP PROSPERITY IN THIS TOWN.

Every day good citizens are telling us they are convinced that it to their own interest to buy as much as possible this Christmas from our own merchants, because they realize that the profits from the sales must be kept at home. We think that at heart you, too, are a good citizen, if you will only stop to consider what a blow you are giving your home town when

you send your money to outside sources. Why don't you tell us that YOU are going to BUY IT AT HOME this Christmas if it is possible to get it here?

Of course, if you must have something that is not sold in this town then you are excusable if you buy it elsewhere. But you can buy most anything you want right here in this town from our own merchants, from people who are your sincere friends and whose heavy taxes on their business enterprises make your taxes that much higher.

We appeal to every citizen in this community—WE APPEAL TO YOU—to help keep prosperity in OUR OWN town by buying your Christmas goods from OUR OWN business men.

We are appealing to your better nature—to your loyalty—to your own interests—when we ask to join us in KEEPING PROSPERITY AT HOME, where each and every one of us may enjoy its blessings.

We are firm in the conviction that you will do this, because we believe you ARE a good citizen and are more than willing to prove yourself one of our BEST citizens by doing that which you KNOW to be to the best interest of the whole community as well as to yourself, and especially when it will not cost you an extra cent.

HALLOWEEN SOCIAL.

Luther League Entertains Members.

The Luther League gave a Halloween social to members of the League and their friends at Becker's hall Tuesday evening. The hall was nicely decorated with rural decorations in the shape of Autumn leaves, Pumpkins, hay and corn stalks. The participants enjoyed the usual halloween games appropriate of the occasion. Coffee and pumpkin pie (the kind that mother use to make) were served during the evening.

About 11 o'clock the well pleased crowd retired to their homes with a word of praise for the members of the social committee of the Luther League who had charge of the event.

County Prize Winners State Fair.

Valencia County had a creditable exhibit at the State Fair. It surprised even the expectations of a majority of our people. There was grain, Mill products, corn on the stalk, Vegetables and fruit. The fact that the three Mills at Los Lunas, Belen and Jarales, made displays directed attention to the county as a wheat producer. This was emphasized by the fact that the Belen Mills took the State Blue Ribbon and the Silver Cup, Los Lunas the Red and Jarales the Yellow ribbon—carring off all the State prizes for mill products.

G. U. Paisano of Casa Blanca, a full blood Indian, and governor of the Laguna Pueblo, had a splendid display of Silver bracelets, beads, etc., on which he took the five dollars prize.

The County High School took two blue ribbons and one red, capturing a prize of five dollars.

Valencia County will do very much better another year. The Rio Grande Valley is as fertile as any portion of the State, and with a little more enterprise on the part of our farmers, we can show as great a variety of staple farm products as any county in the State.

Following are the names of the winners of county prizes, with the amounts:

Jarales Trading Co., Flour	
Third Prize	\$ 2.50
F. G. Nielson, Blue Water	
Cabbage, 2nd. Prize	1.00
Mrs. C. Eaker, Cauliflower, Frst Prize	1.00

SANTA FE RAILROAD BOYS.

Freight business good on road. Crews and Engines, all busy these days.

General Yardmaster, W. H. Hulbert is taking a few days off resting up.

General Supt. C. H. Bristol passed through Sunday Eve. enroute home to La Junta, Colo.

Tom. Arneht, formerly with the Santa Fe at Belen and now one of the leading Mine owners at Schoile, was a visitor over Sunday.

Division Foreman J. A. Baker and wife returned Saturday night from California trip. Mr. Baker gained 19 lbs. in weight during his absence.

Back from the Good Road Meeting.

Mr. Hans Becker member of the County Road Board has returned from Santa Fe, where he attended the meeting of the New Mexico Association of Highway Officials. The meeting was very well attended and the success of the road propaganda thru-out New Mexico seems to be a recognized fact.

Else where we publish the amount estimated by State Engineer French that will be available next year for the various counties. You will notice that Valencia County has a considerable amount which if used properly and intelligently will build quite an amount of good roads in our district.

Mr. E. Kempenich, another member of the Road Board also attended the meeting.

Halloween Dance.

The young ladies of Belen are going to have a halloween Dance friday evening at Goebel's Hall where they will entertain their friends. The event promises to be one of most successful ones of the season and those who will attend are assured of a good time. The hall is being beautifully decorated for the occasion and very elaborate programs have been prepared for the dances.

PHONE No. 34

Washington, I. C. Oct. 28.—
Again the word FAILURE has
been written in bold type across
the text of a Democratic law.

No less person than Secretary
of Commerce Redfield has ad-
mitted the necessity for legisla-
tion to provide that "unfair com-
petition from abroad" at the
close of the war "shall not be
permitted to injure American
industry." The Secretary has
announced that in his next an-
nual report to Congress he will
recommend the enactment of
laws to prevent the "dumping"
of foreign products into the
American market.

Considered in connection with
Secretary Redfield's statement,
the action of the Democratic
Congress in eliminating the
"anti-dumping" clause from the
Underwood tariff law assumes
the proportions of a colossal
blunder.

That the enactment of the
Underwood bill would render
imperative at least a small meas-
ure of protection to American
industries was conceded by the
Ways and Means Committee
when it reported the tariff bill.
To provide it the Committee re-
commended an "anti-dumping"
clause, declaring in its report
that it was to "guard the pro-
ducers of the United States
against the demoralization of
American markets caused by
low priced foreign importations."

The clause provided in sub-
stance that upon exported foreign
articles not on the free list also
manufactured in the United
States, a special duty of not to
exceed fifteen per cent should be
levied whenever the foreign price
was less than the fair market at
home.

The House passed this provi-
sion. The Republicans unsuc-
cessfully tried to amend it and
then to a man voted for it. The
Senate Finance Committee
struck it from the bill, and in
spite of united Republican ef-
forts to amend and restore it,
the tariff bill passed the Senate
without the anti dumping clause,
eventually becoming a law in
that form.

The anti-dumping clause thus
shows how the discard by the

Democrats was very evidently a
necessity, the demand for which
was acutely emphasized by the
passage of the law from which
it was finally eliminated.

In recommending anti-dump-
ing legislation now, Secretary
Redfield has not merely turned
the limelight upon a legislative
blunder of his party. He has
justified the position of the Re-
publicans and virtually cham-
pioned their cause.

Bursum Can Win.

The activity of the anti Rep-
ublican press, the announce-
ment that H. O. Bursum may
again be a candidate for the
Republican nomination for gov-
ernor is enough to convince any-
one that Bursum would be a far
stronger candidate than the
Democrats would care to see
arrayed against any of the ma-
terial they now have in sight
for their choice. True, Bursum
and half of the Republican tick-
et were defeated in 1912, but
the swing-back last year in the
congressional election shows
how things are going in New
Mexico and if a man like Bur-
sum can be had to unite the
party more firmly than ever the
Democrats will not secure a
single state office at the next
election.

Bursum was defeated by Mc-
Donald by over 2,500 votes, and
at the same election Fergusson
was the winner over Jaffa by 4,000. At that election
the Progressive movement in
this state passed its high tide.
At the election of last fall Her-
nandez defeated Fergusson by
3,500 votes, a change of 7,500
in two years. Fergusson was an
administration man. He was a
close friend of nearly every De-
mocratic leader in the state, and
his defeat was a party defeat.
The fight made on Hernandez
at the last election was no less
bitter or unprincipled than the
fight made on Bursum at the
first state election.

Mr. Bursum can be nominat-
ed if he desires a "vindication,"
for he has the respect and con-
fidence of his party. Mr. Bur-
sum can be elected if he makes
the race; just as any other worthy
man whom the Republicans may
select.—Artesia News.

WITH the end of war not
in sight, high prices and
great demand for agricultural
products is sure to force an in-
crease in price of farm lands,
especially here where it is of
such quality and still so cheap
that one crop will pay for the
land two or three times over.
The wise man who has money
to invest will grab a few choice
acres while he can get them.—

OUR PUBLIC FORUM

VII.—Hon. Elihu Root On Woman's Sphere

The question of Woman Suffrage is an issue before
the American people. Twelve states have adopted it,
four more states vote upon it this fall and it is strongly
urged that it become a platform demand of the national
political parties. It is therefore the privilege and the
duty of every voter to study carefully this subject. Hon.
Elihu Root, in discussing this question before the Consti-
tutional Convention of New York, recently said in part:
"I am opposed to the granting of suffrage to women,
because I believe that it would be a loss to women, to all
women and to every woman; and because I believe it
would be an injury to the State, and to every man and
every woman in the State. It would be useless to argue this if the right of
suffrage were a natural right. If it were a natural right, then women should
have it though the heavens fall. But if there be any one thing settled in the
long discussion of this subject, it is that suffrage is not a natural right, but is
simply a means of government, and the sole question to be discussed is
whether government by the suffrage of men and women will be better gov-
ernment than by the suffrage of men alone.

Into my judgment, sir, there enters no element of the inferiority of
woman. It is not that woman is inferior to man, but it is that woman is
different from man; that in the distribution of powers, of capacities, of
qualities, our Maker has created man adapted to the performance of certain
functions in the economy of nature and society, and woman adapted to the
performance of other functions.

Woman rules today by the sweet and noble influences of her character.
Put woman into the arena of conflict and she abandons these great weapons
which control the world, and she takes into her hands, feeble and nerveless
for strife, weapons with which she is unfamiliar and which she is unable to
wield. Woman in strife becomes hard, harsh, unlovable, repulsive; as far
removed from that gentle creature to whom we all owe allegiance and to
whom we confess submission, as the heaven is removed from the earth.

The whole science of government is the science of protecting life and
liberty and the pursuit of happiness. In the divine distribution of powers,
the duty and the right of protection rests with the male. It is so through-
out nature. It is so with men, and I, for one, will never consent to part
with the divine right of protecting my wife, my daughter, the women
whom I love, and the women whom I respect, exercising the birthright of
man, and place that high duty in the weak and nerveless hands of those
designed by God to be protected rather than to engage in the stern warfare
of government. In my judgment, this whole movement arises from a false
conception of the duty and of the right of both men and women.

The time will never come when the line of demarcation between the func-
tions of the two sexes will be broken down. I believe it to be false phi-
losophy; I believe that it is an attempt to turn backward upon the line of
social development, and that if it is ever taken, we go centuries back-
ward on the march towards a higher, a nobler and a purer civilization, which
must be found not in the confusion, but in the higher differentiation of the
sexes."

Very Serious
It is a very serious matter to ask
for one medicine and have the
wrong one given you. For this
reason we urge you in buying to
be careful to get the genuine—

**THE FORD'S
BLACK-DRAUGHT
Liver Medicine**

The reputation of this old, reliable
medicine, for constipation, in-
digestion and liver trouble, is firmly
established. It does not irritate
other medicines. It is better than
others, or it would not be the fa-
vorite liver powder, with a larger
sale than all others combined.

We're Opposed To MAIL ORDER CONCERNS

Because

They have never contributed a cent to furthering the interests of our town—

Every cent received by them from this community is a direct loss to our merchants—

In almost every case their prices can be had right here, which delay in receiving goods and the possibility of mistakes in filling orders.

But---

The natural human trait is to buy where goods are cheapest. Local pride is usually secondary in the game of life as played today.

Therefore

Mr. Merchant and Business Man, meet your competition with their own weapons—advertising.

Advertise!

The local field is yours. All you need do is to avail yourself of the opportunities offered. An advertisement in this paper will carry your message into hundreds of homes in this community. It is the surest medium of killing your greatest competitor. A space this size won't cost much. Come and see or write us about it.
