800 A 76 W 61 (Patting on redds.)

1000 A 85 W 67

Rhinichthys on redds - very few - may not be interested in spawning.

1020 Learning to explore. Not much is doing on the redds. Rhinichthys may only be feeding.

3 large Culus went downstream, ^{one at a time,} in the last 20 minutes.

1022 Staying. Everything in this stretch of stream disturbed by three fishermen.

" ——— - !!!

Collected 49.

Vials 1 & 2 from quiet waters at edge of rif., below spawning beds.

Vial 4 From a fast flow a smooth rif. in the midst of a long rif. 8-15 in. deep. Create. Bq, r.

1300 A 90 W 79

Too many disturbances by anglers
