## MEMORANDUM OF UNDERSTANDING

The BOARD OF COUNTY COMMISSIONERS OF THE COUNTY OF BERNALILLO, a political subdivision of the State of New Mexico (the "County" or the "Commissioners"), and the REGENTS OF THE UNIVERSITY OF NEW MEXICO, a state educational institution named in Article 11, Section 12 of the New Mexico Constitution (the "University" or the "Regents"), agree:

### I. RECITALS

- A. The County and the University entered into a certain Lease Agreement, with an effective date of July 1, 1999, pursuant to the Hospital Funding Act, Sections 4-48B-1 *et seq.* NMSA 1978, as amended, under which the University is operating UNM Hospital (also known as the "University of New Mexico Hospital/Bernalillo County Medical Center" and hereinafter called the "Hospital") and the UNM Psychiatric Center (also known as the "Bernalillo County Mental Health Center - Mental Retardation Center" and hereinafter called the "UNM Psychiatric Center").
- B. The County agreed to approve placing on the November 2000 general election ballot a request for a total of six and five-tenths (6.5) mills for the purpose of operation and maintenance of the Hospital, which mill levy was subsequently approved by Bernalillo County voters at the November 2000 general election.
- C. The County wishes to construct a clinic building (the "Clinic") in the South Valley of Bernalillo County to provide increased access to primary care for residents of the South Valley.
- D. The Hospital wishes to occupy a portion of the building for the purpose of providing increased access to medical and behavioral services for residents of the South Valley.
- E. This Memorandum of Understanding ("MOU") sets forth the agreement of the parties with respect to sharing by the University in the cost of construction of the Clinic and use by the Hospital of a portion of the space at the Clinic for provision of medical and behavioral services to residents of the South Valley.
- F. This Memorandum of Understanding ("MOU") does not modify any terms and conditions of the Lease Agreement but is only supplemental to the Lease Agreement.

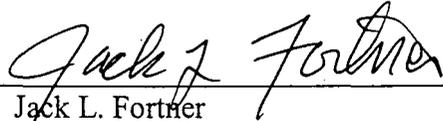

## II. MUTUAL COVENANTS

- A. The University will make an intergovernmental transfer (the "Transfer") of \$1,500,000 (one million five hundred thousand dollars) to the County from Hospital reserve funds (which are derived from sources other than the mill levy) for the purpose of payment of a portion of the County's construction costs for the Clinic.
- B. The University will make the Transfer on the date that the County breaks ground for the Clinic or within 60 days thereafter.
- C. In consideration of the Transfer, the Hospital will be permitted to lease for a rental payment of not more than \$1 per year a suitable amount of Clinic space for provision of medical and behavioral services for a period of time coterminous with the Lease Agreement, and subject to the same termination provisions as contained in the Lease Agreement. The County will provide adequate space within the Clinic for the following:
  - 1. A medical services pod consisting of a minimum of eight (8) exam rooms, a segregated nursing station, clean and soiled linen closets, supply storage, and two or more offices; and
  - 2. A psychiatric services area, including single counseling rooms, group space for psychotherapy services, and space for psychosocial rehabilitation such as basic and advanced life skills and supported employment.
- D. The County and the Hospital will jointly determine the appropriate square footage of the medical services pod and the psychiatric services area during the planning phase of the Clinic. The preliminary estimate of space needed for the psychiatric services area is 6,900 square feet. The amount of square feet required for the medical service pod is not yet determined.
- E. Upon the Hospital's occupancy of the new Clinic, the arrangement between the Hospital and the County for the building located at 2001 Centro Familiar SW, Albuquerque, New Mexico will automatically terminate.
- F. Before construction begins, the County and the University will enter into an appropriate form of lease agreement for use by the Hospital of Clinic space ("Clinic Lease"), which will incorporate the terms of this MOU.
- G. After termination of the Clinic Lease for any reason, the County will retain sole ownership of the Clinic, notwithstanding the Transfer to the County by the University for construction of the Clinic.

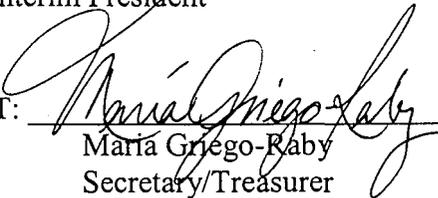

**III. MISCELLANEOUS**

- A. This MOU will continue in full force and effect until (i) completion of the Transfer and (ii) execution by the parties of the Clinic Lease; provided that this MOU will terminate automatically if (i) the Lease Agreement should terminate for any reason or (ii) the County fails to break ground for the Clinic within two years after the date of this MOU, as evidenced by the last date signed by the parties.
  
- B. Modifications to this MOU will be effective only if in writing and signed by authorized representatives of the parties.

**RESOLUTION OF THE BOARD OF REGENTS**

**UNIVERSITY OF NEW MEXICO**

**AUTHORIZING FILING OF APPLICATION  
TO FEDERAL HOUSING ADMINISTRATION  
FOR SECTION 242 MORTGAGE INSURANCE  
FOR FINANCING OF  
UNIVERSITY OF NEW MEXICO HOSPITAL  
WEST WING CONSTRUCTION PROJECT**

Be it resolved by the Board of Regents of the University of New Mexico (the "University"):

WHEREAS, University of New Mexico Hospital ("UNM Hospital") is the primary teaching hospital of the University of New Mexico School of Medicine and a major source of tertiary care for citizens of the State of New Mexico;

WHEREAS, UNM Hospital is owned partly by the University and partly by Bernalillo County (the "County") and is operated by the University under a lease with the County as the safety net hospital for indigent residents of Bernalillo County;

WHEREAS, UNM Hospital serves as a major source of tertiary care for Native American patients residing in the region, under a long-standing federal law and related agreement between the County and the federal government, assumed in part by the University under the lease with the County;

WHEREAS, UNM Hospital operates the only Level I trauma center for the entire State of New Mexico, providing advanced emergency and critical care services to patients from throughout the region;

WHEREAS, UNM Hospital operates extensive children's health programs through its Children's Hospital, many of which are the only source of certain types of subspecialty care for children of the State of New Mexico;

WHEREAS, UNM Hospital facilities for critical care and for children's and women's services are in need of substantial expansion and modernization; and

WHEREAS, the University desires that UNM Hospital significantly expand and improve its capability to provide state-of-the art care to patients requiring trauma, children's and women's services by undertaking the proposed "West Wing Construction Project" (the "Project");

NOW, THEREFORE, BE IT RESOLVED:

That the University has determined that a financing secured by a mortgage on UNM Hospital property covered by mortgage insurance available under Section 242 of the National Housing Act (12 USC 1715z-7) ("Section 242 Mortgage Insurance") through the Federal Housing Administration (the "FHA") will be substantially advantageous to the Project;

That the Board of Regents has reviewed the findings of the financial feasibility study for the Project, prepared by KPMG, LLP, dated July 31, 2003, and agrees with the findings of the financial feasibility study;

That the Board of Regents does hereby authorize the Chief Executive Officer of UNM Hospital to file an application with the FHA for the purpose of obtaining Section 242 Mortgage Insurance for a mortgage securing a University revenue bond issue in an estimated amount of one hundred and eighty-five million, two hundred fifty thousand dollars (\$185,250,000) for the partial financing of the Project, and to execute such documents and assurances required by the FHA for the application; and

That the Board of Regents approves the filing of the application conditioned upon the following understandings and requirements of the Regents:

1. That the FHA will require the Regents to give a mortgage (the "Section 242 Mortgage") on the Regents' entire ownership interest and leasehold interest in the main UNM Hospital site at 2211 Lomas Boulevard, N.E., and the UNM Hospital Outpatient Surgical and Imaging Services at 1213 University Boulevard, N.E., Albuquerque, New Mexico;
2.
