mythic New Mexico

Tempo de Siesta con jalepenos

Piano

folks think that New Mexico's south of the border,

get there you have to clear customs,

a little bit east or north or something of

and change all your money to pesos and pick up a

[See melody, above]
Cuba.

F

They don't know that everyone

Cuba.

F

They

sit on a beach eating fresh ripe bananas, and

en-das are filled up with nuclear chemists, and

Santa Fe natives don't make money in New York and Texas.
and everyone sits around singing songs from the
Schoenberg and
Ah
