# HSLIC News - LibGuides at University of New Mexico

## Anatomical Models now Available 24/7

by Varina Kosovich on November 5th, 2021 in [Anatomy & Physiology](#) | [0 Comments](#)

## ANATOMICAL MODELS

**Check out from the service desk M-F, 8am-5pm  
After hours - feel free to use and return to the  
case when finished**

You asked and we listened! HSLIC's anatomical model collection can now be accessed 24/7. During staffed hours (M-F 8am-5pm) check out the models from the service desk. After hours, feel free to use and return them to the case when finished. The library offers anatomical models of muscles, organs, and bones and they are a great resource to get hands-on experience or to use with an anatomy atlas. Stop by today and see what's available!
