## WILSON'S PERU PROTEGE IS WORSE THAN HUERTA

Recognized Benavides as President After He Had Obtained Power in a Sister Republic by Treachery and Violence.

### ACT DOES NOT SQUARE WITH SMUG DICTUM IN HIS SPEECH

Latin American Diplomats Amazed When They Read the President's Explanation of His Mexican Policy—Informed Their Governments That Mr. Wilson's Personal Whims Doubtless Were to Be His Guides in Conducting This Government's Latin-American Policy.

Latin American diplomats are amazed at the statement in President Wilson's speech of acceptance: "So long as the power of recognition rests with me the Government of the United States will refuse to extend the hand of welcome to any one who obtains power in a sister republic by treachery and violence."

This is the President's explanation of his refusal to recognize Huerta and of his Mexican policy. Yet the records show that President Wilson has deliberately violated this dictum in several instances since the case of Huerta arose.

The most flagrant example was the President's recognition extended to Col. Benavides, head of the revolutionary Government in Peru, in February, 1914. His Government was founded on assassination, established by assassination and had no vestige of constitutional authority back of it. It came into power on February 4, 1914, when Col. Benavides led the garrison troops against the national palace at Lima, imprisoned President Billinghurst and assassinated the Minister of War and all others who opposed the coup d'etat.

More Flagrant Than Mexico. Minister McMillin reported these facts fully to Washington and assumed that this Government would decline to sanction the newly established regime. The case was identical with the Huerta case in Mexico, except a much more flagrant violation of the spirit of popular government. Huerta had Madero and Vice-President Suarez imprisoned, but he became President of Mexico under provisions of the constitution providing for the succession of the Minister of Foreign Affairs upon the disability of the President. Huerta's accession to the Presidency was confirmed by the Mexican Congress.

Benavides came into power simply by killing those who opposed him. His acts had no basis whatever in the constitution of his country and were not confirmed by the Peruvian Congress. His sole backing was a junta of conspirators who forced their will on the unapproving people by means of ready rifle bullets. Under these circumstances Minister McMillin naturally assumed that President Wilson would have nothing to do with Benavides and his junta.

The President shortly before this had stated in a speech at Mobile, Ala.: "We must follow the course of high principle, not expediency, no matter what the pressure. To do otherwise would be untrue to ourselves."

Envoy Is Surprised. Mr. McMillin was therefore mildly surprised when he was instructed by President Wilson to call on the newly established Benavides and graciously confer the recognition of the United States Government upon him.

In explaining this the President simply said that "expediency dictated the recognition of the revolutionary government of Peru." He told his advisers that he had not liked the personality of Billinghurst. He was charged also with the news that Billinghurst had intended to dissolve the Peruvian Congress, which the President said would have been an unconstitutional act.

Latin American diplomats at the time were astonished to learn of the President's action in Peru. They found that it was impossible to know where the President stood on any matter of principle, and informed their governments that the President's personal whims doubtless were to be his guide in conducting this Government's Latin-American policy.

## THE AUTOMATIC LAND SELECTOR

OR THE STATE LAND TWINS

## BILLY MURRAY GOES ON TICKET FOR THE STATE SENATE.

Powerful Grant county Republican leader sets at rest Democratic rumors of disaffection and will lead Republican ticket in southern New Mexico.

Silver City, N. M. Sept. 27. W. D. "Billy" Murray, influential banker and business man of this city and recognized as the Republican leader of southwest New Mexico, has accepted the Republican nomination for the New Mexico State Senate, for Grant county, and will make the race to victory at the head of his ticket as he has always done when he has run for office in the past. Mr. Murray is a very busy man and can ill afford the necessary for the legislative position. But he has been influenced by the needs of his country and section and also to some extent by reports persistently circulated by democrats following the Republican state convention, that his defeat for the nomination for state treasurer by three votes had made Murray "sore". Mr. Murray is not the kind of a Republican who get "sore" and he has proven it in striking fashion. H. O. Bursum will carry Grant county. Even the Democratic bosses admit this to be a fact. There is a chance to carry this once stalwart democratic county for the whole Republican ticket

and Mr. Murray is going to lead the fight. W. S. C. x, another widely known business man, has accepted the Republican senatorial nomination for the Grant and Luna county districts and he also is certain of election. The Grant county Republican ticket is the strongest on record and there is an enthusiasm and working harmony among the Republicans of the whole county which is reasonably certain to get surprising results.

## THE BEST ORATORS AT THE FAIR.

Albuquerque, N. M., Sept. 28.—While there was some disappointment here when it was first announced that Senator Burton could not fill his engagement on Monday at the State Fair, this disappointment completely faded away when on Monday afternoon Judge D. D. Woodmansee of Cincinnati, Ohio, addressed a great crowd at the State Fair grounds. Judge Woodmansee, as an orator, is without superior upon the national platform today and he held his audience in close attention, with frequent applause and in a spirit of intense enthusiasm for the forty minutes of his speech, during which he revealed the weakness of the Wilson administration with a vividness and detail that were absolutely convincing.

Senator Burton will speak in Raton tonight, Las Vegas tomorrow night and in Albuquerque Saturday night, and it is probable that he will be secured for one or two other speeches before he leaves New Mexico.

Immediately after the democratic state convention and the nomination of E. C. de Baca of Las Vegas, for the governorship, democratic leaders announced that reports of Mr. de Baca's precarious health had been exaggerated, that he was not a sick man, and that he would make the campaign. This statement was issued in connection with a denial of the well known fact that Governor McDonald sought the nomination to succeed himself, failed in the effort because there were not enough votes in the convention to nominate him, and slipped into the nomination for lieutenant governor in the closing confusion of a convention the keynote of which was disorder and policy of which was the Wilsonian doctrine of uncertainty and hesitation. The Democrats did not want the job of defending the McDonald record.

## YOUNG MEN'S REPUBLICAN CLUBS.

Silver City N. M., Sept. 27.—Organization work in behalf of the Young Men's Republican Clubs of New Mexico reached Southern New Mexico last week with the full organization force from the Republican State Headquarters assisting local Republicans in the work. A meeting of several hundred Republicans was held Thursday night, last, and the Grant county club was launched with a membership of 300. It was expected that this membership would reach over 1000 by the end of this week. A Meeting was held at Deming the following evening which was equally as successful. This week club organizations were formed in Alamogordo for Otero County and in Carrizosa for Lincoln county. In Dona Ana County the young Republicans have been organized for several months and have a total membership of over 800.

The prediction of the State Chairman, W. H. Gillenwater, that there would be a Republican club in every precinct in New Mexico before October 18th, is now in a fair way to be realized, as there is an organization in more than one-half of the counties today.

Precinct No. 15, having sent remittance of \$100.00 in payment of a forfeited bond, the same was ordered turned over to the Treasurer of the County for transmittal to the State Treasurer to be placed to the credit of the General School Fund of the State of New Mexico.

It being made to appear to the Board of County Commissioners that the franchise heretofore granted to Gustav and Otto Schwedler for the privilege of furnishing light and power in and about the town of Belen, Valencia County, New Mexico, was unavoidably delayed in the delivery thereof to said grantees, and that the limitations of the date of beginning construction thereunder and the time for acceptance thereof and filing of bond should be extended.

Now, therefore, be it resolved by the Board of County Commissioners of Valencia County, that the franchise heretofore granted to said Gustav Schwedler and Otto Schwedler be amended in the following particulars: substituting the following in lieu of the last two paragraphs of said franchise.

First: That the said grantees shall within nine months from the date of the granted of this franchise, in good faith, commence the erection of the proposed plant and construction of the electrical equipment necessary thereto, and have the same in practical operation within one year and three months from the date of this franchise, and said grantees agree by their acceptance thereof that all rights and privileges hereby granted shall be deemed, upon due notice in writing, in the event of their failure so to do, from the Board of County Commissioners of Valencia County, to be vacated and void, as if they had never been granted, without any further action thereon;

2nd: That this grant shall not be deemed operative until acceptance thereof in writing accompanied by the above mentioned bond filed with the clerk of the Board of County Commissioners of Valencia County by the said grantees, and this grant shall be vacated and void, as if it had never been granted unless said acceptance and bond are filed within ninety days from the granting thereof.

Whereas it has been brought to the attention of this Board

that the crossing of the Atchison, Topeka and Santa Fe Railway track by the Camino Real at the village of Los Chavez, in Valencia County, is a serious menace to the ever increasing travel on said highway, due to the natural obstructions at said crossing;

And whereas in is the desire of the citizens of this county that said crossing be made safe for travel by the establishment of proper safe-guarding devices:

Therefore, be it resolved that the Board of County Commissioners of Valencia County communicate with the division superintendent and the Solicitor of said Railway Company and with the corporation commission of the State of New Mexico urging the instalation of a warning device with the least possible delay;

Be it resolved that a copy of this resolution be mailed to F. E. Summers, division Superintendent, at San Marcial, New Mexico, to W. C. Reid, Solicitor for the Atchison, Topeka and Santa Fe Railway Company at Albuquerque, New Mexico, and to State Corporation Commission of the State of New Mexico.

The County Treasurer's reports for the months of July and August, 1916, were presented before the Board and the same were approved. Also the Sheriff's monthly reports for the

## The "SILENT SMITH"

—Model 8 shows what should now be expected of a typewriter.

Ball Bearing; Long Wearing

The success of the L. C. Smith & Bros. Typewriters has been due to the fact that the wants of the user have dictated its construction. The user has decided in favor of certain improvements now incorporated in Model 8. Among them are:

**Silence of Operation**—The most silent running efficient typewriter ever placed on the market. Absolute silence has been very nearly attained.

**Decimal Tabulator**—A help in billing and tabulating. There is no extra charge for this convenience.

**Variable Line Spacer**—Enables the operator to start on a given line and space from point of starting; also to write on ruled lines whose spacing varies from typewriter spacing. A great help in card work.

**Faster Ribbon Feed**—Insures new place of impact for each typeface.

**Choice of Carriage Return**—Upon special order the new left hand carriage return will be furnished in place of the right hand return.

All the important features of previous models have been retained — ball bearing carriage, typebars and capital shift, back spacer, key-controlled ribbon, removable platen, protected type, flexible paper feed and automatic ribbon reverse.

Write for New Catalog of Model 8. It will explain why the L. C. Smith & Bros. Typewriter is a synonym for superior service.

### HUGHES ON REUNITED PARTY.

"I come to you as the spokes-  
man of a reunited party. We  
have said that it was reunited;  
we have believed it was re-  
united; we have devoutly hoped  
it was reunited. Now, Maine  
proves that it is reunited. I am  
glad to speak for the reunited  
Republican party because it is a  
great liberal party. It started as  
a liberal party; its best tradi-  
tions are those of a liberal party.  
And today it faces the future  
with a truly national outlook  
and a progressive spirit."  
Charles E. Hughes in a Speech  
Delivered at Plattsburg, N. Y.

The McDonald . . .

cord. They do not want it  
know. The Governor by exer-  
cise of his considerable gift as a  
convention manipulator, forced  
his party to assume his defense.  
It is not a pleasant job and it is  
out suprising that hundreds of  
the ablest men in the democratic  
party are openly rebelling  
against the necessity that has  
been forced upon them.

Seasoned workers in the de-  
mocratic ranks understand that  
with Governor McDonald the  
nominal candidate for lieutenant  
governor, and generally regard-  
ed as the actual candidate for  
governor, it will be necessary to  
defend the record of the disas-  
trous Las Cruces bank failure  
in which literally hundreds of  
small depositors lost their sav-  
ings, through the deliberate  
"carelessness" of the governor  
his political banking depart-  
ment. No records have been  
lost in this miserable outrage.  
The facts are all available.  
They will be layed frankly and  
fully before the people in all  
their sordid detail.

Swellings of the flesh caused  
by inflammation, cold, fractures  
of the bone, toothache, neuralgia  
or rheumatism can be relieved  
by applying BALLARD'S SNOW  
LINIMENT. It should be well  
rubbed in over the part affected.  
Its great healing and penetrat-  
ing power eases the pain, reduces  
swelling and restores natural  
conditions. Price 25c, 50c and  
\$1.00 per bottle. Sold by all deal-  
ers.

## Catarrh Cannot Be Cured

with LOCAL APPLICATIONS, as they  
cannot reach the seat of the disease.  
Catarrh is a local disease, greatly in-  
fluenced by constitutional conditions, and  
in order to cure it you must take an  
internal remedy. Hall's Catarrh Medi-  
cine is taken internally and acts thru  
the blood on the mucous surfaces of the  
system. Hall's Catarrh Medicine was  
prescribed by one of the best physicians  
in this country for years. It is com-  
posed of some of the best tonics known,  
combined with some of the best blood  
purifiers. The perfect combination of  
the ingredients in Hall's Catarrh Medi-  
cine is what produces such wonderful  
results in catarrhal conditions. Send for

The least that may be said of Pres-  
ident Wilson is that he has been right  
half the time, for he has been on both  
sides of almost all important ques-  
tions.

It's not to be wondered that Thom-  
as A. Edison favors Wilson's re-elec-  
tion. The electrical wizard naturally  
likes anything that switches on and  
off.

## Oh, You Skinny!

Why stay thin as a rail? You don't have to! And you don't  
have to go through life with a chest that the tail gives you; with  
arms of child-h strength; with legs you can hardly stand on. And  
what about that stomach that flinches every time you try a sq are  
meal? Are you a pill feeder?

DO YOU EXPECT HEALTH AND STRENGTH IN A BODY TO M—  
THROUGH PILLS, POSITIONS AND OTHER EXPLOITED TRIFLES? YOU  
CAN'T DO IT; IT CAN'T BE DONE.

The only way to be well is to build up your body—all of it  
—through nature's method—eat by putting the stomach. It  
is not fate that is making you a failure. It's that poor, emaciated  
body of yours; your half-sickness shows plain in your face and the  
world loves healthy people. So be healthy—strong—vital. That's  
living. Don't think too long; send 4 cents in stamps to cover mail-  
ing of my book, "LIONEL STRONGFORT'S HYGIENE OF THE BODY,"  
written by the strongest physical culture instructor in the world.
