League of Women Voters Guide

Are you uncertain of where your polling place is located? Is it unclear which candidates are on the ballot? You can find the answers to these questions and many more in the [League of Women Voters guide](#). This guide will provide voters with all the vital information they need to know about voting in the upcoming election which includes: how to register to vote, where your polling place is located, verification of voter registration, dates and times of when and where you can vote, as well as which candidates are on the ballot.

In addition, once you enter your address, a personalized ballot is generated which produces details on all the races you are eligible to vote in and it even includes personal responses from the candidates.

If you are interested, you may stop by the library Monday-Friday 8:00 am to 5:00 pm to pick up your copy of the League of Women Voters Guide and please remember to get out and vote November 2.
