Wednesday, October 20th from 12-1 is our last PubMed Like a Pro workshop of the semester. [Register](#) to come to this online workshop and learn how to navigate PubMed and pick up some advanced tricks in the process. This workshop is appropriate for any level of PubMed user (even if you've never used it before) and will review how to utilize keyword and MeSH searching, narrowing your results, creating alerts, saving searches, and more.

If you have questions or want to schedule a workshop for another time or for your class please reach out to [Kelleen Maluski](#), Student Success and Engagement Librarian.
