Comp: Effective - August 1, 2023

The University of New Mexico is committed to provide a comprehensive package of benefits including medical, dental, vision, disability, and life insurance. The University offers a range of student tuition discounts through the tuition reduction and dependent education programs. For more details, see the Benefits page on our website.

Position Description:
The Department of Computer Science is the largest program in the College of Computing at the University of New Mexico (UNM). It offers undergraduate and graduate degrees in Computer Science. The department is home to over 600 students and a growing number of full-time faculty members. The Department seeks to attract and retain excellent faculty members from a diverse pool of candidates.

The University of New Mexico is an Equal Opportunity Employer. We are an Equal Opportunity Employer, making decisions without regard to race, color, gender, sexual orientation, gender identity, national origin, age, religion, sex, or any other protected class.

Qualifications

Minimum Qualifications:

- Completion must have completed a doctorate in CS or related areas as of August 15, 2023.

Prefer Qualifications:

- Demonstrated ability to establish a competitively funded research program.

- Demonstrated ability to develop and maintain a strong research program.

- Demonstrated commitment to diversity, equity, and inclusion.

- Demonstrated understanding of the research and scholarly environment.

Application Instructions:

Each applicant must include a letter summarizing the applicant's experience, current research, and future research plans. Three references are required. Please list the names of the references on the letter and provide their contact information. All recommended references will be contacted for a letter of reference as a separate document. If the letter of reference is not received within a reasonable timeframe, the candidate will be notified.

Applicants who are appointed to the UNM faculty position are expected to acquire an official certification of successful completion of all degrees prior to the start of employment with UNM.

For Best Consideration:

For best consideration, please apply by 01/25/2023. The position will remain open until filled.

The University of New Mexico is committed to the hiring and retaining a diverse workforce. We are an Equal Opportunity Employer, making decisions without regard to race, color, gender, sexual orientation, gender identity, national origin, age, religion, sex, or any other protected class.
