A teal-colored graphic with a white Wi-Fi symbol crossed out by a red circle and slash on the left. To the right, the text "NETWORK OUTAGE AT HSLIC" is written in large, bold, white capital letters. Below this, a white horizontal bar contains the text "Friday, September 24 — 5:00-7:00 pm*" in bold black font. At the bottom center, the logo for the Health Sciences Library & Informatics Center (HSLIC) is displayed, featuring the letters "NM" in a stylized font followed by the text "HEALTH SCIENCES LIBRARY & INFORMATICS CENTER".

Due to a planned upgrade by HSC IT, HSLIC will have **no internet access**—via wired or Wifi connections—on Friday, September 24 beginning at 5:00 pm and lasting approximately 2 hours. We encourage our students to find alternate sites on campus to study on this evening.

*Note, outage times are approximate.
