It has been accepted for inclusion in Long Term Ecological Research Network by an authorized administrator of UNM Digital Repository. For more information, please contact disc@unm.edu.

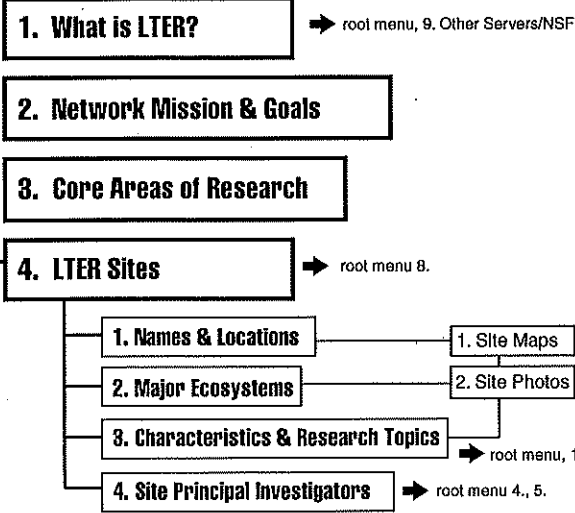

LTER NETWORK NEWS

Since the LTER Network News was begun in 1987, the readership has steadily increased. From an initial LTER audience, the mailing list has grown to include many non-LTER readers including other agencies, students, individual scientists, libraries, foreign scientists and organizations, and more.

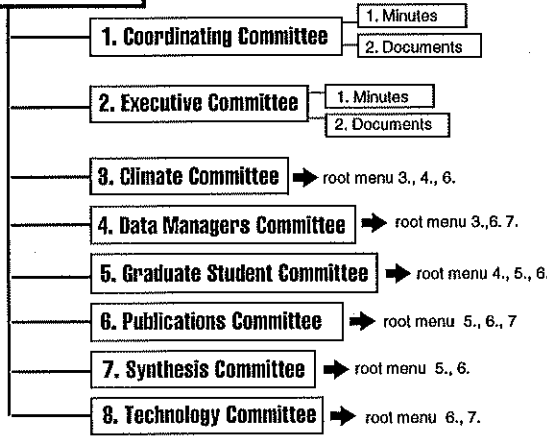

ABOUT LTER

U.S. LTER Program - & Major Ecosystems (map)

5. Network Committees Restricted to LTER

6. LTER Network Office

7. Intersite Research & Synthesis → About LTER/Network Committees/ Synthesis, Nat'l & Int'l Activities

8. National & International Activities

9. Research Opportunities at LTER Sites → root menu, 9. Other Servers/NSF
