L. T. Cooper, Noted Philanthropist Gives Large Part Of Income to Charity.

Not in recent years, perhaps, has the coming of any public character aroused such widespread interest as has the proposed visit to Denver and other western cities of L. T. Cooper, the millionaire Philanthropist.

Mr. Cooper is described as one America's foremost leaders of advanced thought, and sprang into fame and fortune through his health theories based on what is known as the Tanlac Treatment. He never ceases to surprise you with the infinite variety of his knowledge, and its absolute correctness and thoroughness. In several of the larger cities, he has done a great deal of relief work among the poor.

Mr. Cooper is a firm believer in practical Philanthropy and his relief work is familiar to charity workers over the country. His Southern representative while in Houston, Texas, recently distributed, under the personal direction of leading charity workers, one thousand dresses of excellent quality to the poor women and children. In San Antonio the following week, he donated another thousand dresses to the poor of that city and a few days later four hundred of the garments were provided by him for the poor women and children of Galveston. Ladies prominent in social life and many prominent citizens of these places assisted and co-operated with Mr. Cooper's representative in this worthy cause.

Gives 50,000 loaves of bread Similar service was also performed by Mr. Cooper in Memphis, Birmingham, Atlanta, Little Rock, Shreveport, Vicksburg,

except team or auto expense, which are not necessary in his profession.

Expenses that are personal or connected in any way with the support of well being of a person or family are not allowable.

The costs of machines, instruments, vehicles or implements that are more or less permanent in character are not allowable as an expense. They are investments.

Interest paid on a mortgage or other personal indebtedness is allowable on a personal return.

All taxes paid within the year can be taken out on a federal return, except federal income taxes, inheritance taxes and assessments for local improvements.

Losses sustained in business or through fire, storm or shipwreck or by theft, except when compensated by insurance or otherwise.

Wear and tear of rented buildings or machinery used in business may be claimed.

You can also claim the amount paid to the Red Cross and to other charitable, religious or educational organization to the extent of 15 per cent. of your net income.

Jackson, Nashville, Knoxville, Chattanooga, Macon, Savannah, Montgomery, Mobile and Augusta, and his establishment of the famous free bread line at Louisville, where he distributed fifty thousand loaves of bread absolutely free and without question to those in want, proved a revelation to charity workers there. In fact, in practically every city Mr. Cooper has visited he has always shown his great sympathy for the poor and unfortunate by performing some unique act of charity.

Mr. Cooper contends that nine-tenths of the diseases and ill health of the present day American is due to faulty digestion and improper assimilation of the food, which finally produces a stuffed up condition of the vital organs.

It has been said that Tanlac, his celebrated medicine which is now accomplishing such remarkable results throughout the country, not only quickly overcomes all catarrhal inflammations of the mucous membrane, but acts directly in the correction of stomach, liver, kidney and intestinal disorders.

Tanlac as has been so convincingly proven by the thousands upon thousands who have endorsed it, is also a reconstructive tonic of great power, and has been known to entirely relieve the most obstinate cases of rheumatism and blood disorders in a very short time.

Tanlac Tales Phenomenal.

It is, indeed, doubtful if anything ever placed on the market in the way of a medicine has sprung into such popular favor in so short a time. People everywhere have been quick to recognize its wonderful merit. The demand for it has been nothing short of phenomenal.

In Dallas, Texas, over 120,000 bottles were sold in 12 months time, which according to druggists of that city, has established a new record, and is unprecedented in the history of the drug business. In Denver over 65,000 bottles were sold in six months time, in Fort Worth, Texas, 122,204 bottles were sold in twelve months, in Atlanta, Ga., over 166,000 bottles were sold in 12 months time, in Knoxville, Tenn., the Kuhlman-Chambliss Co. sold and distributed 48,326 bottles in nine months, in Louisville, Ky., the Taylor-Isaacs Co., who operate eight retail stores in that city, sold 32,000 bottles in less than 90 days. In fact everywhere Tanlac has been introduced its sale has likewise been phenomenal and the demand for it is continually increasing. A total of more than two and a half million bottles of the medicine has been sold through the Atlanta Office alone during the past eighteen months, and it is without doubt

the most widely talked of medicine in the world today.

When asked to explain this record breaking demand, Mr. G. F. Willis, International distributor of Tanlac, said: "The can be only one possible explanation, and it can be told in one word, 'merit' That tells the whole story. No preparation, no matter how extensively advertised, can possibly meet with such phenomenal success unless it possesses extraordinary curative power."

Thousands upon thousands are testifying daily that they have been relieved of disease after years of suffering by its use.

Tanlac is sold in Belen by Buckland Brothers.—Adv.

## The "SILENT SMITH"

—Model 8 shows what should now be expected of a typewriter.

Ball Bearing Long Writing

The success of the L. C. Smith & Bros. Typewriters has been due to the fact that the wants of the user have dictated its construction. The user has decided in favor of certain improvements now incorporated in Model 8. Among them are:

**Silence of Operation**—The most silent running efficient typewriter ever placed on the market. Absolute silence has been very nearly attained.

**Decimal Tabulator**—A help in billing and tabulating. There is no extra charge for this convenience.

**Variable Line Spacer**—Enables the operator to start on a given line and space from point of starting; also to write on ruled lines whose spacing varies from typewriter spacing. A great help in card work.

**Faster Ribbon Feed**—Insures new place of impact for each typeface.

**Choice of Carriage Return**—Upon special order the new left hand carriage return will be furnished in place of the right hand return.

All the important features of previous models have been retained—ball bearing carriage, typebars and capital shift, back spacer, key-controlled ribbon, removable platen, protected type, flexible paper feed and automatic ribbon reverse.

Write for New Catalog of Model 8. It will explain why the L. C. Smith & Bros. Typewriter is a synonym for superior service.

## War Orders Rushed

THE magnitude of the great war in which we are now engaged, has necessitated unusual preparation. Mighty forces are marshalling, great stores of food and munitions are being gathered, and the energies of the nation are focused on problems incident to the war.

At the very beginning of the war, the whole Bell System was placed at the disposal of the Government. No nation has entered the war with such a comprehensive and efficient telephone service.

As our military establishment grows, the demands of the Government upon the Bell System are bound to increase and always they must take precedence over all others.

Increased activity in commerce and industry as the result of larger demands for food and munitions from our allies and for our own use, means more need of telephone service by private business.

But private business must always be subordinated to the Government service. Each individual American will co-operate in this patriotic service, and submit cheerfully to inconvenience or delay in his telephone service, when he understands how vital it is that Government service shall take precedence over all else.

## Oh, You Skinny!

Why stay thin as a rail? You don't have to! And you don't have to go through life with a chest that the tailor gives you; with arms of childish strength; with legs you can hardly stand on. And what about that stomach that flinches every time you try a square meal? Are you a pill-feeder?

DO YOU EXPECT HEALTH AND STRENGTH IN TABLOID FORM—THROUGH PILLS, POSITIONS AND OTHER EXPLOITED PIFFLE? YOU CAN'T DO IT; IT CAN'T BE DONE.

The only way to be well is to build up your body—all or it—through nature's methods—not by pampering the stomach. It is not fate that is making you a failure; it's that poor, emaciated body of yours; your half-sickness shows plain in your face and the world loves healthy people. So be healthy—strong—vital.
