NUMBER 72

YOUR DOLLAR MAY DECIDE

Don't ever get it in your head that YOUR dollar isn't needed. There may be a disposition to consider that each fellow's bond purchase is lost in the big general shuffle, that he cannot see the immediate and practical strength of his individual effort. This idea is all wrong. Each dollar does its specific duty and does it now, when every energy is needed to stem this tide that is bending civilization double.

Every dollar now, is worth two presently toward stopping the war.

Wouldn't it be a satisfaction to you, as a red-blooded American, to know that you had bought the shell that had blown up a submarine—or your rifle in the sniper's hands, had picked off a Prussian officer? Cannot you imagine the gratification you would feel that it was your shell that had blown a German trench into kingdom come?

Your bond will feed your son, or some other patriotic American's son, for one whole year, over there in shell-torn France and Belgium.

Close and strict co-operation is now the watchword among the Allied armies in Europe, and it must likewise be the slogan that governs us at home in furnishing the sinews that makes progress at the front possible.

Here are some of the vitally necessary things your money will buy:

FIFTEEN HUNDRED DOLLARS WORTH OF LIBERTY BONDS WILL:

Buy a motor ambulance
Buy a five passenger motor car for a machine-gun battalion.

TWELVE HUNDRED DOLLARS WORTH OF LIBERTY BONDS WILL:

Provide horses to draw a gun in an ammunition train.

ONE ONE THOUSAND DOLLAR BOND WILL:

Buy an X-ray apparatus outfit
Buy six cases of operating instruments for a base hospital.

EIGHT ONE HUNDRED DOLLAR BONDS WILL:

Furnish four mules to draw an ambulance.

ONE FIVE HUNDRED DOLLAR BOND WILL:

Supply bicycles for the headquarters company of an infantry regiment.

FOUR ONE HUNDRED DOLLAR BONDS WILL:

Buy an X-ray outfit.

THREE ONE HUNDRED DOLLAR BONDS WILL:

Clothe a soldier and feed him for one year in France
Buy a motorcycle for a machine-gun company.

TWO ONE HUNDRED DOLLAR BONDS WILL:

Buy a cavalry horse
Buy an ammunition mule
Buy a horse for the captain of a machine-gun company
Buy a mule to draw a water cart.

ONE ONE HUNDRED DOLLAR BOND AND ONE FIFTY DOLLAR BOND WILL:

Clothe and equip an infantry soldier for service overseas. Feed a soldier for a year.

ONE ONE HUNDRED DOLLAR BOND WILL:

Clothe a soldier
Feed a soldier for eight months
Provide five rifles
Provide 30 rifle grenades
Provide 45 hand grenades
Provide 25 pounds of ether
Buy 145 hot water bags
Buy 2000 surgical needles.

ONE FIFTY DOLLAR BOND WILL:

Provide trench knives for a rifle company
Buy 23 hand grenades
Buy 14 rifle grenades
Buy 37 cases for surgical instruments.
Buy 10 cases of surgical instruments for officers' belts.

HOW TO SECURE A LIBERTY BOND

You may be one of many people, anxious to do your share towards helping Uncle Sam beat the Hun, but are in doubt just how to proceed, and the details concerning Liberty Bonds may be a little vague to you.

For the benefit of all, a few facts may clear things up.

The Bonds, guaranteed by the United States Government, and consequently the safest investment in the world, are of the following values:—\$50.00, \$100.00, \$500.00, \$1,000.00, \$5,000 and \$10,000.00.

The interest at the rate of 4% per annum is payable on September 15, 1918, on March 15, 1919, and thereafter on each September 15th and March 15th.

The Bonds are redeemable in gold on September 15, 1928.

Sign the application form which you can obtain from any banker or Liberty Loan salesman.

You can pay for your bond in full at the time of your application.

If you would rather pay by installments you can pay the banker or salesman 5% of the amount of the Bond you intend to purchase, that is \$5.00 on every \$100.00, and pay the balance as follows:—

20% on May 28, 1918.
35% on July 18, 1918.
40% on August 15, 1918.

The Bonds bear interest from May 9th, 1918, so if you buy on the installment plan you will be asked to add to your August payment the small amount of interest you are not entitled to, owing to the fact that the Government has not had the use of the full amount of your subscription until you made the final payment. The amount involved is so small that it is not worth considering.

The money you pay for the Bonds and the interest you receive on them is free from taxation, except Inheritance Tax,

and the surtaxes on large incomes. A man must be very wealthy before his interest of 4% is reduced by even one-half of one per cent, so to the average citizen the Bonds are tax free.

Arrangements have been made to deliver Bonds at a few days notice as soon as they are paid for in full.

There are two kinds of Bonds—Coupon and Registered. Coupon Bonds bear Coupons which you tear off and exchange for interest money at your bank or Post Office. Registered Bonds have no Coupons, but the interest is mailed to you twice yearly. Up to the \$10,000.00 value Bonds you can take your choice as to which you will buy.

Bonds of \$50,000.00 and \$100,000.00 are issued but must be registered.

Your application must be in by May 4, 1918. The Government specially asks you however to place your order before this date.

Many banks are willing to arrange for a small payment down, and monthly payments for the balance. This of course, is for the benefit of those who do not at the moment, have the ready funds to pay for their bonds in full.

The main thing, of course, is to get busy immediately on some basis, for the emergency is urgent, and it must not be said that we are not ready to follow with our money, the boys that are ready to fight our battles "over there."

A FIGHTING AMERICAN

Mrs. Ora B. LeBow.

A letter was received recently by the officers of the Federal Reserve Bank at Dallas that made a deep impression on all who read it. We quote it in full:

"Your circular, 'The Victory of the Ages,' has just reached me today, and I assure you I endorse it with all my heart. I am a widow of a soldier, also a mother of one—and I have but one son. He enlisted in the U. S. N. last May. I gave my son to America and I am proud of him. He was my all. I am sixty-four years old. I did not have enough money last October to buy even a \$50.00 Liberty Bond, but I want one. My son was on the sea at that time and could not send me any money until he reached his destination, but I have saved five and ten cents till I can now get one.

"What would you advise—wait till the next Loan is placed before the people? I believe

★ ONLY AMERICA CAN HELP. ★
★ "On your side are boundless ★
★ supplies of men, food, and mate- ★
★ rial; on this side a boundless de- ★
★ mand for their help. ★
★ "Our men are war-weary and ★

that will be April the 6th. Kindly advise me.

"I am with you for victory or death. Oh, how I wish I was a boy just like mine, so I could do more to help win the war."

On receipt of the letter Mrs. LeBow was requested to write again, and, in her own way, tell just why everyone should buy Liberty Bonds. Her reply to this request is also quoted:

"Why should all people be glad to subscribe to these Liberty Bonds?"

"Because it takes money as well as men to win this war. We have the men, let's have the money. This is our part—the part for us who stay at home in ease and comfort. It is also the very least part that we can take, to loan to Uncle Sam our money, when he pays us back with interest. Our sons have said so gladly, 'Here am I, send me, Uncle Sam,'—some are now this minute in the trenches facing shot and shell, and shall we who have no hardships to endure, be less patriotic than they, who give their lives if need be, for our homes and country? Let us give as cheerfully of our money as they have of their lives and hopes for the future. For they are young men, they have laid their all on their country's altar. Let us not hesitate to pledge our last dollar, and more, if Uncle Sam calls again. I do not think that the American people will be found wanting, and may the God who rules over the destinies of nations make us strong to lift high the Star Spangled Banner, and never let the old flag fall, at home or abroad, and, like Patrick Henry said, 'Give me liberty or give me death.' Then, and only then, will we win this dreadful war."

Is there one among us who can not or will not catch the spirit of this dear old Spartan mother?

She responds in spirit and in reality, to the call of country and humanity. She gives her all, husband, son, and carefully hoarded scanty savings, so that the world "may be made a safe place to live in."

What a demonstration of patriotism, sacrifice, and whole-hearted co-operation is presented in the view-point of this aged mother!

With the same spirit having possession of all our hearts and minds, it can easily be seen why the Third Liberty Loan will be subscribed with a rush, and Uncle Sam will have the benefit of our efforts toward maintaining our nation's share of the world's fight for a lasting peace, a peace not dictated by German force and brutality.

Great Wheat Stocks Isolated.

It's the shortage in ships that is putting the Allies and the United States on wheat rations. Great stocks of wheat are isolated in India, and Australia. At great sacrifice in ship space and use the Allies are forced to secure some wheat from Argentina.

On January 1, Australia had stored 100,000,000 bushels of wheat that was ready for export—but there were no ships. Then came the new crop with an exportable surplus of 80,000,000 bushels. Now Australia has approximately 180,000,000 bushels waiting for ships.

India, at the same time, had 70,000,000 bushels of wheat stored for export. During April 50,000,000 bushels more out of the new crop will be added to the pile.

Argentina closed the last shipping season with 11,000,000 bushels of wheat left in the stock available for export. The new crop will add 185,000,000 to the left over.

It is not a problem that the wheat does not exist in the world—it is entirely a problem of shipping, which has thrown on America the obligation of dividing our stock with the Allies.

Mrs. Chas Peden Gains 27 Pounds.

Was Twice Examined and each Time Told Operation Would Be Only Hope—Case is Remarkable.

"I have just finished my third bottle of Tanlac and have gained twenty-seven pounds," was the truly remarkable statement made by Mrs. Charles Peden, residing at 550 Mill Street, Huntsville, Ala. Mrs. Peden is one of the best-known and most highly respected women of that thriving little city, where she has made her home for a number of years.

"When I commenced taking the medicine," she continued, "I only weighed ninety eight (98) pounds; now I weigh one hundred twenty-five pounds, and never felt better in my life. For years I have suffered with a bad form of stomach trouble, constipation and pains in my side and back. At times the pains took the form of torture and I was twice examined and each time I was told that I had appendicitis and that an operation would be my only hope. I had fallen off until I only weighed ninety eight pounds and was so weak I could hardly get around.

"I had no appetite at all scarcely, and what little I did eat would cause gas to form in my stomach, which gave me palpitation of the heart, sick headaches and a dizzy feeling about the head. When those spells came on me I would get awfully nervous. I worried about myself until I could rest and sleep but little.

"I had fallen off until I was almost 'skin and bones,' and my

strength and energy were slowly leaving me. I had a dread of the future and could see nothing but the operation table and knife. I had a perfect horror of an operation but had made up my mind that it was either life or death, and prepared to submit to it. I had made all preparations for the operation and called on my sister to tell her good-bye, as I did not know whether I would live to see her again or not. My sister begged and pleaded with me not to allow them to cut on me and told me to wait and try a good tonic for a while. The next day as I returned from the consultation room I thought of what she said, and as I had heard so much about Tanlac I decided to try it as a last resort and stopped at Gilbert's Drug Store and got a bottle. Of course, I had lost heart and had no faith in the medicine, but to please my sister I made up my mind to take it, and oh, what a happy day that was for me!

"I never returned for the operation, but just kept taking Tanlac. Right from the start I began to feel better. The medicine seemed to take hold right at once. It had a soothing effect, and in a few days I felt no pain at all. I was so happy over the wonderful improvement in my condition that I sent for my neighbors to tell them how much better I felt. I sent and got another bottle of Tanlac, and have just finished taking my third bottle and feel like I have been made all over again into a new woman.

"As I have said before, I now weigh one hundred twenty-five pounds, and my improvement has been so rapid that none of my clothes are big enough for me. I will have to make them all over again. I now have a ravenous appetite and my husband says I simply eating him out of house and home. I have even gone back to my coffee, which I was told not to touch. Those terrible pains in my back and head have all disappeared and I sleep like a child. I am no longer nervous; and when I get up mornings I feel refreshed, cheerful and bright. I am now able to attend to my household duties, and I feel as if I had started life all over again. My husband is highly delighted, and my recovery is the talk of the neighborhood. I do nothing but rejoice all day long over the recovery of my health and praise Tanlac to everybody.

"I feel so grateful for my escape from the operating table and the knife that you may publish what I have said; you may, if you wish, tell other women suffering as I was to come and see me and I will be glad to tell them about my case."

COULD HARDLY STAND ALONE

Terrible Suffering From Headache, Sideache, Backache, and Weakness, Relieved by Cardui, Says This Texas Lady.

Gonzales, Tex.—Mrs. Minnie Phillips, of this place, writes: "Five years ago I was taken with a pain in my left side. It was right under my left rib. It would commence with an aching and worked up into my left shoulder and ran down into my back. By that time the pain would be so severe I would have to take to bed, and suffered usually about three days. I suffered this way for three years, and got to be a mere skeleton and was so weak I could hardly stand alone. Was not able to go anywhere and had to let my house work go. I suffered awful with a pain in my back and I had the headache all the time. I just was unable to do a thing. My life was a misery, my stomach got in an awful condition, passed from taking so much medicine. I suffered so much pain. I had just about given up all hopes of our getting anything to help me.

One day a birthday Almanac was thrown in my yard. After reading its testimonials I decided to try Cardui, and am so thankful that I did, for I began to improve when on the second bottle. I am now a well woman and feeling fine and the cure has been permanent for it has been two years since my awful bad health. I will always praise and recommend Cardui." Try Cardui today. B 78

The "SILENT SMITH"

—Model 8 shows what should now be expected of a typewriter.

Ball Bearing Long Wearing

The success of the L. C. Smith & Bros. Typewriters has been due to the fact that of the user have dictated its construction. The user has decided in favor of certain improvements now incorporated in Model 8. Among them are:

Silence of Operation—The most silent running efficient typewriter ever placed on the market. Absolute silence has been very nearly attained.

Decimal Tabulator—A help in billing and tabulating. There is no extra charge for this convenience.

Variable Line Spacer—Enables the operator to set on a given line and space from point of starting; also works on ruled lines whose spacing varies from typewriter spacing. A great help in card work.

Faster Ribbon Feed—Insures new place of impact for each typeface.

Choice of Carriage Return—Upon special order the new left hand carriage return will be furnished in place of the right hand return.

All the important features of previous models have been retained—ball bearing carriage, typebars and capital shift, back spacer, key-controlled ribbon, removable platen, protective type, flexible paper feed and automatic ribbon reverse.

Write for New Catalog of Model 8. It will contain why the L. C. Smith & Bros. Typewriter is a synonym for superior quality.

War Orders Rushed

THE magnitude of the great war in which we are now engaged, has necessitated unusual preparation. Mighty forces are marshalling, great stores of food and munitions are being gathered, and the energies of the nation are focused on problems incident to the war.

At the very beginning of the war, the whole Bell System was placed at the disposal of the Government. No nation has entered the war with such a comprehensive and efficient telephone service.

As our military establishment grows, the demands of the Government upon the Bell System are bound to increase and always they must take precedence over all others.

Increased activity in commerce and industry as the result of larger demands for food and munitions from our allies and for our own use, means more need of telephone service by private business.

But private business must always be subordinated to the Government service. Each individual American will co-operate in this patriotic service, and submit cheerfully to inconvenience or delay in his telephone service, when he understands how vital it is that Government service shall take precedence over all else.

MENT

Oh, You Skinny!

Why stay thin as a rail? You don't have to! And you don't have to go through life with a chest that the tailor gives you; with arms of childish strength; with legs you can hardly stand on. And what about that stomach that flinches every time you try a square meal? Are you a pill-feeder?

DO YOU EXPECT HEALTH AND STRENGTH IN TABLOID FORM—THROUGH PILLS, POSITIONS AND OTHER EXPOTRIED PIFFLE? YOU CAN'T DO IT; IT CAN'T BE DONE.

The only way to be well is to build up your body—all of it—through nature's methods—not by pampering the stomach. It is not fate that is making you a failure; it's that poor, emaciated body of yours; your half-sickness shows plain in your face and the world loves healthy people. So be healthy—strong—vital. That's living. Don't think too long; send 4 cents in stamps to cover mailing of my book, "INTELLIGENCE IN PHYSICAL CULTURE," written by the strongest physical culture instructor in the world.

Why Suffer?

Mrs. J. A. Cox, of Alderson, W. Va., writes: "My daughter... suffered terribly. She could not turn in bed... the doctors gave her up, and we brought her home to die. She had suffered so much at... time. Having heard of Cardui, we got it for her."

CARDUI

The Woman's Tonic

"In a few days, she began to improve," Mrs. Cox continues, "and had no trouble at... Cardui cured her, and we sing its praises everywhere. We receive many thousands of similar letters every year, telling of the good Cardui has done for women who suffer from complaints so common to their sex. It should do you good, too. Try Cardui. The "SILENT SMITH"

—Model 8 shows what should now be expected of a typewriter.

Ball Bearing Long Wearing

The success of the L. C. Smith & Bros. Typewriters has been due to the fact that the wants of the user have dictated its construction. The user has decided in favor of certain improvements now incorporated in Model 8. Among them are:

Silence of Operation—The most silent running efficient typewriter ever placed on the market. Absolute silence has been very nearly attained.

Decimal Tabulator—A help in billing and tabulating. There is no extra charge for this convenience.

Variable Line Spacer—Enables the operator to start on a given line and space from point of starting; also to make on ruled lines whose spacing varies from typewriter spacing. A great help in card work.

Fast Ribbon Feed—Insures new place of impact for each typeface.

Choice of Carriage Return—Upon special order the new left hand carriage return will be furnished in place of the right hand return.

All the important features of previous models have been retained—ball bearing carriage, typebars and capital shift, back spacer, key-controlled ribbon, removable platen, protected type, flexible paper feed and automatic ribbon reverse.

Write for New Catalog of Model 8. It will explain why the L. C. Smith & Bros. Typewriter is a synonym for typewriter service.

We're Opposed To MAIL ORDER CONCERNS

Because

They have never contributed a cent to furthering the interests of our town—

Every cent received by them from this community is a direct loss to our merchants—

In almost every case their prices can be had right here, which delay in receiving goods and the possibility of mistakes in filling orders.

But---

The natural human trait is to buy where goods are cheapest. Local pride is usually secondary in the game of life as played today.

Therefore

Mr. Merchant and Business Man, meet your competition with their own weapons—advertising.

Advertise!

The local field is yours. All you need do is to avail yourself of the opportunities offered. An advertisement in this paper will carry your message into hundreds of homes in this community. It is the surest medium of killing your greatest competitor. A space this size won't cost much. Come and see or write us about it.

"His Treatment is remarkable"

I ate one for dinner the other day and it agreed with me perfectly and I felt no bad after effects whatsoever. I tell you I am beginning to feel like a different man and am always going to keep this Tanlac on hand. It has done me more good than anything else in the medicine line I have ever taken. I certainly do recommend it to my friends. It is really remarkable." Tanlac is sold in Belen by Buckland Bros.—Adv.
