Reasons!

Why you should use Cardui, the woman's tonic, for your troubles, have been shown in thousands of letters from actual users of this medicine, who speak from personal experience. If the results obtained by other women for so many years have been so uniformly good, why not give Cardui a trial?

CARDUI

The Woman's Tonic

Mrs. Mary J. Irvin, of Cullen, Va., writes: "About 11 years ago, I suffered untold misery with female trouble, bearing-down pains, headache, numbness... I would go for three weeks almost bent double... My husband went to Dr. — for Cardui... After taking about two bottles I began going around and when I took three bottles I could do all my work." The "SILENT SMITH"

—Model 8 shows what should now be expected of a typewriter.

Ball Bearing; Long Wearing

The success of the L. C. Smith & Bros. Typewriters has been due to the fact that the wants of the user have dictated its construction. The user has decided in favor of certain improvements now incorporated in Model 8. Among them are:

Silence of Operation—The most silent running efficient typewriter ever placed on the market. Absolute silence has been very nearly attained.

Decimal Tabulator—A help in billing and tabulating. There is no extra charge for this convenience.

Variable Line Spacer—Enables the operator to start on a given line and space from point of starting; also on ruled lines whose spacing varies from typewriter spacing. A great help in card work.

Fast Ribbon Feed—Insures new place of impact for each typeface.

Choice of Carriage Return—Upon special order the new left hand carriage return will be furnished in place of the right hand return.

All the important features of previous models have been retained — ball bearing carriage, typebars and capital shift, back spacer, key-controlled ribbon, removable platen, protected type, flexible paper feed and automatic ribbon reverse.

Write for New Catalog of Model 8. It will explain why the L. C. Smith & Bros. Typewriter is a synonym for superior service.

Serving in a World at War

We are doing our utmost to serve the public as satisfactorily today as we did before the war upset the commercial world.

In the face of greatly increased costs of material we are endeavoring to maintain our plant at the highest point of efficiency.

Despite the high cost of labor, we are maintaining full crews that there may be no part of the work slighted or neglected.

While the demands of the signal service of our armies have deprived us of many technically trained men, those who remain have spread out to fill the gaps by extra effort.

In some places congestion has occurred because we have been unable to secure equipment for relief, but in such cases the traffic is being handled to the full extent of human ability.

With the world rocking under the weight of war; with economic conditions unsettled and abnormal, we are striving always to coordinate our efforts to the great problems involved in the winning of the war.

We feel that uninterrupted, efficient telephone service is playing a conspicuous part in the forces that will bring ultimate victory.

Oh, You Skinny!

Why stay thin as a rail? You don't have to! And you don't have to go through life with a chest that the tailor gives you; with arms of childish strength; with legs you can hardly stand on. And what about that stomach that flinches every time you try a square meal? Are you a pill-feeder?

DO YOU EXPECT HEALTH AND STRENGTH IN TABLOID FORM... THROUGH PILLS, POSITIONS AND OTHER EXPOTRIED RIFLE? YOU CAN'T DO IT; IT CAN'T BE DONE.

The only way to be well is to build up your body—all of it... through nature's methods—not by pampering the stomach. It is not fate that is making you a failure: it's that poor, emaciated body of yours; your half-sickness shows plain in your face and the world loves healthy people. So be healthy—strong—vital.
