The Community Council of Defense of Belen

The organization of the Belen Council was effected, under the direction of the Valencia County Council of Defense, at a public meeting held on June 25th.

The local Council will report to the County Council, who in turn reports to the State Council and the different State Councils report to the National Council of Defense at Washington.

The object of these local organizations, is to look after the war work of the communities. There is more and more work all the time for those of us unable to enter active service, work in the bond sales, work in conjunction with the Red Cross, work in connection with school activities, work to encourage and assist in war gardens and work along various other lines.

Every patriotic citizen should become a member of this organization. The dues are nominal, seventy-five cents per year. Join now and help win the war.

Bernard Jacobson, President.
Paul B. Dalles, Secretary.

Serving in a World at War

We are doing our utmost to serve the public as satisfactorily today as as we did before the war upset the commercial world.

In the face of greatly increased costs of material we are endeavoring to maintain our plant at the highest point of efficiency.

Despite the high cost of labor, we are maintaining full crews that there may be no part of the work slighted or neglected.

While the demands of the signal service of our armies have deprived us of many technically trained men, those who remain have spread out to fill the gaps by extra effort.

In some places congestion has occurred because we have been unable to secure equipment for relief, but in such cases the traffic is being handled to the full extent of human ability.

With the world rocking under the weight of war; with economic conditions unsettled and abnormal, we are striving always to coordinate our efforts to the great problems involved in the winning of the war.

We feel that uninterrupted, efficient telephone service is playing a conspicuous part in the forces that will bring ultimate victory.

Oh, You Skinny!

Why stay thin as a rail? You don't have to! And you don't have to go through life with a chest that the tailor gives you; with arms of childish strength; with legs you can hardly stand on. And what about that stomach that flinches every time you try a square meal? Are you a pill-feeder?

DO YOU EXPECT HEALTH AND STRENGTH IN TABLOID FORM--THROUGH PILLS, POSITIONS AND OTHER EXPOTIED PIFFLE? YOU CAN'T DO IT; IT CAN'T BE DONE.

The only way to be well is to build up your body--all of it--through nature's methods--not by pampering the stomach. It is not fate that is making you a failure: it's that poor, emaciated body of yours; your half-sickness shows plain in your face and the world loves healthy people. So be healthy--strong--vital. That's living. Don't think too long; send 4 cents in stamps to cover mailing of my book, "INTELLIGENCE IN PHYSICAL CULTURE," written by the strongest physical culture instructor in the world.

HANDS, ARMS, LIMBS ASLEEP

And Was Run-Down, Weak and
Nervous, Says Florida Lady.
Five Bottles of Cardui
Made Her Well.

Kathleen, Fla.—Mrs. Dallas Price, of this place, says: "After the birth of my last child...I got very much run-down and weakened, so much that I could hardly do anything at all. I was so awfully nervous that I could scarcely endure the least noise. My condition was getting worse all the time..."

I knew I must have some relief or I would soon be in the bed and in a serious condition for I felt so badly and was so nervous and weak I could hardly live. My husband asked Dr. about my taking Cardui. He said, "It's a good medicine, and good for that trouble," so he got me 6 bottles. After about the second bottle I felt greatly improved...before taking it my limbs and hands and arms would go to sleep. After taking it, however, this poor circulation disappeared. My strength came back to me and I was soon on the road to health. After the use of about 5 bottles, I could do all my house-work and attend to my six children besides."

You can feel safe in giving Cardui a thorough trial for your troubles. It contains no harmful or habit-forming drugs, but is composed of mild, vegetable, medicinal ingredients with no bad after-effects. Thousands of women have voluntarily written, telling of the good Cardui has done them. It should help you, too. Try it.

Ball Bearing; Long Wearing

The success of the L. C. Smith & Bros. Typewriters has been due to the fact that the wants of the user have dictated its construction. The user has decided in favor of certain improvements now incorporated in Model 8. Among them are:

Silence of Operation—The most silent running efficient typewriter ever placed on the market. Absolute silence has been very nearly attained.

Decimal Tabulator—A help in billing and tabulating. There is no extra charge for this convenience.

Variable Line Spacer—Enables the operator to stay on a given line and space from point of starting; also to work on ruled lines whose spacing varies from typewriter spacing. A great help in card work.

Faster Ribbon Feed—Insures new places of impact for each typeface.

Choice of Carriage Return—Upon special order the new left hand carriage return will be furnished in place of the right hand return.

All the important features of previous models have been retained—ball bearing carriage, typebars and capital shift, back spacer, key-controlled ribbon, removable platen, protected type, flexible paper feed and automatic ribbon reverse.
