You are invited to attend a Health Sciences Library and Informatics Center seminar on health literacy entitled “Health Literacy Tips: Plain Language, Teach-Back and More...”

This online seminar will explore the benefits of using teach-back and plain language for patient care as well as a discussion regarding the health literacy needs of patients in New Mexico. The first seminar will be offered on Friday, April 16, 2021, from 12:00 to 1:00 pm, and will be repeated on Wednesday, April 28, 2021, from 12:00 until 1:00 pm.

To register for either seminar, please go [here](#).
