Republican State Con- vention Nominates Very Strong Ticket

THE GREAT Republican Convention for New Mexico has met, transacted their business and adjourned.

After three days and nights of arduous labor this distinguished body of men have selected a ticket which is a credit to the people of this State and cannot be beaten at the bar of public opinion.

The keynote speech was made by that Republican war horse, Hon. H. O. Bursum, of Socorro, and it positively was a masterly effort, and the editor of the Belen News, (who was there as a delegate from Valencia County,) was very much pleased to note that the Convention most heartily endorsed and confirmed everything the orator said.

The convention in its wisdom, nominated Senator Fall, by acclamation, for re-election, and this gentleman, on being escorted to the platform, was very entertaining for half an hour. Senator Fall is a recognized leader in the United States Senate and is not only an honor to New Mexico, but is rendering efficient service to the government in its efforts to win the war. And believing, as we do, that Senator Fall is one of the ablest men in the Senate and that the people of New Mexico appreciate ability and integrity of purpose in a public official, we confidently believe that he will be re-elected hands down. It is a good principle not to swap horses in the middle of the stream.

B. B. Hernández, for Congress; O. A. Larrazolo, for Governor; B. F. Pankey, for Lieutenant Governor; Herbert F. Reynolds, Justice of the Supreme Court; J. M. Martinez, Secretary; Edward J. Sargent, Auditor; Uric Strong, Treasurer; O. O. Askren, Attorney General; J. H. Wagner, Supt Schools; Nelson Field, Land Commissioner; J. M. Luna, Corporation Com'r.

Cavalry Officers Training School

COLONEL C. C. SMITH, 314th Cavalry, has been detailed as examining officer to receive applications from civilians to enter the Cavalry Officers' Training School at Leon Springs, to open October 3rd.

To be eligible civilians must have been between eighteen and forty six on September 12th and not have been granted deferred classification on grounds of industry or occupation.

Applicants must be citizens, graduates of high school or have equivalent education, some experience as horsemen, of good moral character, and possess physical qualification required for a commission in the Officers' Reserve Corps.

Applicants should present testimonials by reputable persons as to good character, and their record of physical examination on form 395 Adjutant General's Office by a reputable physician.

Local Boards will be requested by Colonel Smith to send questionnaires to civilians who apply so that their exact status may be known to him.

Applications of accepted candidates will be sent by Colonel Smith to Commanding Officer Cavalry Officers' Training School, Camp Stanley, Leon Springs, Texas, where candidates will report not later than October 3rd.

Applications should contain names, address, age, citizenship, educational qualifications and address and designation of local board and serial and order number.

Several hundred candidates are needed by October 3rd., Colonel Smith states, this call should be given the greatest possible publicity in local newspapers.

It is presumed that an examiner nearer to your town or district than El Paso has been appointed by the war department, but if not applicants from your vicinity may appear before Colonel Smith who will conduct the required examination at Camp Owen Beirne, Fort Bliss, Texas.

All applications should be addressed to Colonel C. C. Smith, Camp Owen, Fort Bliss, Texas.

E. M. OTERO'S ADDRESS TO COUNTY CONVENTION

THIS CONVENTION has been called for the purpose of nominating forty-seven delegates from the county of Valencia to represent us at the State Convention which is to be held at Santa Fe on the first of October.

In that convention ten candidates will be nominated for the State ticket, two federal candidates and one District Judge for the Judicial District composed of the counties of Sierra, Socorro and Valencia.

About that State convention, I wish to tell you that it will be the most important that has ever been held in New Mexico. As I have said, we will nominate two federal officials, one Senator and one Representative to the United States Congress. These two men will not only represent New Mexico, but the whole world, for the stand the United States has taken in the present universal war is at the head of the Allies.

To the delegates going from this county I wish to beg them not to go there with their own personal views, to favor a personal friend or to avenge some grievance with some personal enemy, but go as loyal Republicans as you have always been, and go united and not discredit the name of our county. I address myself to you because, in the imperial county of Valencia, there are no personal ambitions or factions.

Go to that convention with only one object, that of protecting your sons who are now fighting on the battle front for the liberty of the world and the well being of their parents and the citizens of this nation. Nominate warring men in that convention, men who are not pacifists, for this war will not be ended by arbitration means, but by the strength of our arms and the sacrifice of human lives. Nominate as candidates on the Republican ticket men that will have the courage to stand in the United States Congress and ask for what they need for the pursuit of the war and for the protection of our soldiers.

This is not a one man war, or a one party war, it is a war that every citizen of this powerful nation must fight, and we have to fight it victoriously to sustain the liberty for which Washington fought, and for which the blood of the noble Abraham Lincoln was shed.

Nominate and elect men who will support the Executive in the midst of this war, and for the well being of our nation, and who will fight against those that are taking advantage, politically, under the hood of the whole nation's sacrifice.

Belen's Mammoth Department Store

—The John Becker Co., is one of the great mercantile institutions of western New Mexico and their elegantly appointed and convenient new Store is a marvel to visitors in Belen, who feel that it is an establishment very much in advance of Belen. Mr. Paul B. Dalies, one of the managers, recently spent a solid month in New York city and other eastern cities selecting the large fall and winter stock, and his experience and natural ability specially equip him as a very careful buyer for this market. A part of this very choice assortment of ladies ready-to-wear apparel, shoes, clothing, notions, etc., are being received and on display in their show windows. The latest styles, the best quality and the lowest prices make the John Becker Co. a favorite place to deal for those who seek the very best at a reasonable price. For several weeks Mr. John Becker, Jr., one of the managers of this great department store has been a very busy man for the whole management was on his shoulders during the absence of Mr. Dalies. In addition to their duties Mr. Becker finds time to give consideration to his duties as a member of the Advisory Board, doing his very utmost for the Fourth Liberty Loan, Red Cross, Thrift Stamps and any and everything in his power which it is possible for a 100 per cent American to do. John Becker Jr. is truly loyal.

—The First National Bank of Belen is authorized by the Secretary of the Treasury to receive subscriptions to the Fourth Liberty Loan and the Cashier of the Bank, L. C. Becker, will give full information. The First National is a designated U.S. depository, a member of the National Reserve Bank, and a depository for Valencia County. It is a very strong bank and customers receive every courtesy and consideration.

THE FOURTH LOAN IS THE FIGHTING LOAN

THE FOURTH LOAN must be a great success. The Fourth Liberty Loan is a fighting loan.

When our soldiers on the battle front are braving death, each one offering to make the supreme sacrifice for his country and the great cause, we who remain safely at home surely should give them every support, should make every sacrifice to strengthen them. If we cannot fight ourselves we can make our dollars fight.

It is a great cause for which America is engaged in this war; it is a great struggle in which the very boys of the world is bound up that is being waged in Europe and on the high seas. It is an honor to have a part in it and all Americans, all of their lives, will be proud of the part they had in it or ashamed of their failure to do their part.

The Fourth Loan is a fighting loan. Every subscriber to the Loan strikes a blow for Liberty, for Victory.

Since the beginning of the war, we have spent for Army use \$37,000,000 for flour; \$14,000,000 for sugar; \$43,000,000 for bacon; \$12,000,000 for beans; \$9,000,000 for canned tomatoes, and \$3,000,000 for rice. These are only some of the large items in our Army's bill of fare. We have spent \$126,000,000 for shoes; over \$5,000,000 for clothing, winter and summer; nearly \$150,000,000 for blankets.

Dr. Radcliff, the attending physician, states that Dr. Wilkeron, who is suffering from influenza, is improving.

—Frank Kasuya is a very patriotic man, he very promptly does all in his power to help win the war.

—Patriotic Americans, all of you, turn out in full force and give Senator Rutherford and Sergt. Gill, the gallant soldier who was wounded while fighting for you on the western front in France, a truly New Mexico welcome next Sunday night at the Goebel Theater.

A telegram received here this afternoon brings the sad news

that Jose Garcia, a Belen boy, has been gassed and blinded in France. He is a son-in-law of Bernardino Baca of this place. Certainly this is indeed very sad news to the people generally for Mr. Garcia is well known as a very exemplary young man and his life as a soldier has indeed been one of high honor.

Thomas Luna, a very favorably known citizen of Magdalena died yesterday. He is a brother of Hon. J. M. Luna, Republican candidate for Corporation Commissioner.

SENDING THE "CIVIES" HOME

Many a kid brother is sporting his soldier brother's Sunday silk shirts and best serge suits these days, and brother doesn't mind, because he is wearing the very latest style for men—khaki of the regulation military cut. The Army Y. M. C. A. helps the rookie soldier with his civilian clothes problem. "Y" furnishes wrapping paper, and a "Y" man is on hand to help with the wrapping, furnishes the twine, and assists with the addressing of the bundles of "civies" (military parlance for civilian clothes). These bundles are sent back home to be packed in moth balls until after the war, or worn out by the kid brother.

Here is a parcel post shipment of clothes to go back home a few hours after a bunch of Louisiana boys had reported for service at Southern Department camp.

"WRITING HOME"

When the soldier is off duty he may employ and amuse himself in many ways, but one of the first things he is sure to do is to write to home folks. Writing paper, envelopes, ink and pens are furnished free to the men by the Army Y. M. C. A.

This is a picture of a "rush hour" of letter writing and magazine reading in a "Y" building in a large camp of the Southern Department.

OFF WITH YOUR HAT WHEN THE FLAG GOES BY

Our Individual Part.

SOME OBSERVERS think that a most characteristic thing about the American soldiers in France, something which astounds the enemy and excites the admiration of our allies, is the capacity of the American soldiers to do individual thinking and fighting. The German fights successfully only in mass formations, in organized bodies, while every American soldier has an initiative and independence of action which gives him remarkable efficiency in open fighting. They are not senseless cogs, but each is an individual working unit in a great fighting machine.

Every American at home should feel an individual responsibility and do his or her individual part in winning the war. There is not an American citizen who can not help win the war. The Fourth Liberty Loan drive, which began September 23, offers a great opportunity for concerted action and for individual action, and the loan will be a tremendous success if each American will do his or her individual part as each American soldier in France does his part. Our soldiers deserve such support from the people at home.
