## Praise to God in the Highest

### Belen Celebrated to the Very Limit of Our Ability And Everybody Smiled

**B**ELENERS did themselves proud Monday and Tuesday night.

It was joy unconfined for they were most heartily celebrating the dropping of the curtain on the history of the most brutal war which the world has ever known.

Flags flying, whistles blowing, boys shooting off guns, yelling and whooping, and their was a smile on the face of every one.

Monday night a big bon fire rapidly consumed a coffin in which rested Bill Hohenzollern and the crowds cheered wildly when the demands of the allies and Americans were read.

It was the most remarkable scene ever witnessed in the world; it was a joyous outburst of the people that an infamous Kaiser was not only an outcast, but a fugitive from justice on supposedly neutral soil.

Thank God it is finished and the same expression was heard a thousand times Monday and Tuesday night.

It was a genuine outburst of heartfelt relief and all seemed to feel that it was the mercy of God--that God was on our side.

And some of us were not slow in expressing ourselves quite strongly in regard to the work of our gallant boys "over there" who had been instrumental in bringing the war to a successful conclusion by American arms and our allies.

God bless and preserve our boys now at the front and a nation's tears will mingle with the tears of the parent's, friends and relatives of those immortal heroes who made the supreme sacrifice in order that the world might be free. They are martyrs, who gave their all that we might live, and their names will be enblazoned in letters of gold on the tables of time.

The exercises were continued to Tuesday night in front of The John Becker Co. store which was properly draped with large flags, at which time patriotic addresses were delivered by Rev. Beckman and Attorney Botts of Albuquerque.

The boys over there made it possible for this celebration and we say three cheers; yes, THREE HUNDRED BILLION CHEERS and then some for the boys over there.

### A Loyal American

UNITED STATES SENATOR ALBERT BACON FALL.

### America Always Leads

**A**MERICA in this war has done what no other nation ever did. She has carried the presence, the atmosphere of home into the camps across the seas, that everywhere the soldier may realize there are fatherly hands to help him, motherly hands to console him, friendly hands to entertain him.

All these seven organizations now stand upon one platform,—that of providing recreation, entertainment and home comfort for our troops. From that common platform, all, together with one voice, will make a single appeal to the American people.

These seven organizations have agreed by direction of the Government upon definite budgets and all are working under a general national committee upon which all are represented for a united war work campaign to raise the sum of \$170,500,000.

Enormous as that may be, the American people will raise it—generously and gladly.

When one considers an army of over 4,000,000; a navy that musters over 500,000 men in its service; the number and size of our camps; the buildings to be erected; the secretaries to be maintained; the equipment to be furnished; the visitor's houses to be built, the community service to be extended into every city and town of the country; the protective work most necessary and vital for all our people, which this war has given to us as our share to maintain, one will see that the sum is none too great for this enormous task.

We cannot shirk it. We cannot shift it. To attempt to do so would be to prove false to the men who are giving their bodies and their lives for our national safety.

It is an American campaign. Its appeal is one that no American may refuse, and America's answer will be another triumphant announcement that we are in this war as one people as one nation to see it through to victory.

The entire Catholic body of the country is organized to crown this campaign with victory. Every diocese has harnessed its own resources, will work with the state committees of the United War Work Campaign and give the utmost service.

The Valencia County Chapter of the American Red Cross will hold its annual meeting for the election of officers, at the Commercial Club Building, Nov. 20th 1918, at 8 p. m.

Elias C. Chavez, a well known citizen of Albuquerque and a brother-in-law of Prof. Saturnino Baca is visiting the family of the latter.

The Union War Work campaign is now on and loyal Americans are called upon to give to the extent of their pocket books. Remember this work helps the boys "over there" and you know what that means.
