The COVID-19 pandemic is the defining health

Call for Submissions: May 10, 2021

Include your name and contact information on all submissions, and send to:

Laura Hall, Managing Editor
ljhall@salud.unm.edu

Robert Schenck, MD, Editor-in-Chief
rschenck@salud.unm.edu

The COVID-19 pandemic is the defining health crisis of our time, disrupting nearly every facet of daily life. Its worldwide impact has been exacerbated by the evils of racism, poverty and inequality. What has the pandemic revealed – and how has it changed you? Taking the time to share our perceptions with one another is a step on the path to healing and understanding. Please join us.
