Need help keeping track of all your sources? Want to make the citation process as easy as pressing a button? Come to this online class to learn how to use Zotero, a free citation management tool.

Zotero allows you to keep track of all your resources in one place, organize materials to meet your needs, and it creates citations for you. You can register for the class [here](#).

Before attending please be sure to create a Zotero account and download the desktop component. Instructions can be found on our [Zotero Guide](#). All registrants will be sent a Zoom link previous to the class.

If you have questions or want to schedule a workshop for another time or for your class please reach out to [Kelleen Maluski](#), Student Success and Engagement Librarian.
