OFFICIAL COUNTY PAPER DEVOTED TO THE INTERESTS OF LINCOLN COUNTY, NEW MEXICO

VOLUME 19

CARRIZOZO, LINCOLN COUNTY, NEW MEXICO, FRIDAY, OCTOBER 11, 1918.

NUMBER 41

Republicans Name County Ticket

The Republicans of Lincoln county met in convention here Monday. Considerable harmony prevailed in convention, even if it failed to reach this issue.

For superintendent, Mrs. Maude L. Hanes was given the nomination. Mrs. Wallace L. Gumm withdrew her name before a ballot was taken.

Alfredo Gonzales was renominated for assessor, having no opposition.

E. W. Hubert was nominated for county clerk by acclamation.

For sheriff, three names were presented, viz: Clark Hust, Ayle Stover and R. A. Duran. After the 4th ballot Hust withdrew and Duran having received a majority of the votes was declared the nominee for sheriff.

A. J. Roiland was renominated for treasurer by acclamation.

Doroteo Lucero was named for probate judge without opposition.

For commissioner, first district, the names of W. H. Sevier and Fred Vowwerk were presented. On tallying the ballots Sevier was found to have won.

In the second and third districts, D. L. Clark and E. L. Monahan were respectively named without opposition.

A. H. Harvey was named by acclamation for surveyor.

W. E. Blanchard was unanimously named for the legislature.

A county central committee, composed of a member from each precinct, was then selected, of which Robert Brady was elected chairman, Frank A. Edglish secretary and the convention adjourned.

Lieut. Fitzpatrick Home

Lieutenant Thomas C. Fitzpatrick, son of Mr. and Mrs. George L. Fitzpatrick, came home this week on a short furlough. Lieut. Fitzpatrick just recently won his commission in an officers' training school at Fort Sam Houston and has been assigned to duty at Fort Logan, a camp near Houston, Texas.

Public Places Closed

The city council held a formal meeting Saturday afternoon, the result of which was the issuance of a proclamation closing the public schools of the city, the churches and the moving picture shows. In fact, the proclamation is against the holding of any public gatherings over the danger from Spanish influenza epidemics. The great danger in communities at this time is from gatherings in closed rooms, and the decision of the council was quite timely.

Miss Maude Hall, postmistress at White Mountain, was a Carrizozo visitor Wednesday.

Miss Mary R. Lee and, wife, who are among the highest market makers, Carrizozo Trading Co.

Mr. and Mrs. J. O. Nakamura and daughter, Miss Florence, were here Monday from their home on Three Rivers.

All repair work guaranteed at Western Garage.

Parsons Notes

"Everybody's doing it." What? Haying, of course.

The farmers in the upper Bonito Valley are putting up the best crop of hay they have had for several years.

Cattle, too in this neck of the woods, are in fine condition to start in the winter.

Hubert Reddy, who is working at the American mine, spent Sunday at home with his family.

Miss Ella Cook has finished her first month as teacher of the Parsons school. Two of her pupils were neither absent or tardy during the month.

Mrs. J. H. Palmer and son, Walter, spent Sunday with Mrs. and Miss Wahl of the Mill settlement.

Hugh Combs and Ed Peters have been putting up hay for the Parsons Mining company.

Messrs. White and Gonsbrugh attended the Republican convention at Angus Saturday.

Mrs. Berry, who fell through a doorway a couple of weeks ago and injured her hip, besides dislocating her wrist is slowly recovering.

Back Jennings, the lost boy, to be called to the colors, left Thursday for Jefferson Barracks, St. Louis, Missouri.

Messrs. Lynch, Weber and Ferguson, of Fort Stanton, were recent visitors at Parsons.

Mrs. J. M. Rice, who has been visiting her daughter, Mrs. Webster at Fort Stanton, has returned home.

Any one interested in the very latest colors and color combinations should visit the canons around the headwaters of the Bonito. The hillside are surely a thing of beauty, but not a joy forever, for they will soon change their brilliant robes for their winter garments of brown and green.

J. H. Palmer has returned from White Oaks, where he has been for the past week.

Odd Fellows Grand Lodge Meets

W. L. Lohmeyer returned yesterday from Albuquerque, where he had gone to attend the grand lodge convention of Odd Fellows. The city had closed all public meetings, so the Odd Fellows held their sessions in the exhibition building at the fair grounds. Following the election of the grand lodge officers and the transaction of necessary business the convention adjourned to meet at Alamogordo next year.

Mrs. Joseph Padgett, the efficient secretary of the New Mexico Iron & Steel Corporation, received word that her husband was ill at San Antonio with the Spanish influenza, and left Wednesday to be with him. Mr. Padgett was recently called to the colors and had been assigned to duty at San Antonio.

Norwalk Iron Tubes and Republic Castings, both of the Western Garage.

Harvey Hughes' Funeral

The body of Harvey Hughes arrived last night from Camp Pike, Arkansas, accompanied by a brother, Diamond. Both these boys entrained here the latter part of August for the training camp named above. Harvey contracted influenza which developed into pneumonia, resulting in death last Saturday night, October 5. The funeral took place today and was largely attended. A profusion of flowers bedecked the casket. This is the third Lincoln county soldier who has succumbed to illness in the camps, and the first Carrizozo boy who has given up his life.

The deceased soldier was a son of Mrs. G. M. Hughes and had lived in the Lincoln county the greater part of his life. Besides a mother, sister and four brothers, he leaves a wife and infant, to all of whom the deepest sympathy of the community is extended.

Jack Fall Dies

Jack Fall, son of Senator and Mrs. A. B. Fall, Three Rivers, died here Saturday night from an attack of pneumonia. The remains were conveyed to Alamogordo and there interred the following day.

The deceased had arrived the night before from Santa Fe, but feeling too ill to continue homeward went to bed and called in a physician. The parents, the wife and all members of the family were notified and all reached the stricken man's bedside before the final dissolution. Every attention, medical and nursing, was given the sufferer, but the attack was so sudden and the congestion so severe that nothing could be done.

The family have the deepest sympathy of friends here and throughout the state.

George Sisneros

George Sisneros, elder son of Mrs. S. G. Anderson, died in El Paso Saturday night. His body was brought here Sunday, conveyed to Lincoln and there interred in the family plot. Deceased was attacked by influenza which developed into pneumonia, the direct result of death.

George Sisneros was a native of Lincoln, about 26 years old. He had lived in Roswell for a number of years past but was residing in El Paso when stricken by his fatal illness. His mother and brother live here and his grandfather, Scipio Salazar, one of the oldest citizens of this county, lives at Lincoln. He also leaves a wife and children, to all of whom the News extends sympathy.

Pastor For Another Year

Rev. R. H. Lowellyn has been assigned to this charge for another year by the Methodist District Conference that adjourned in El Paso last Sunday. The work of the conference was seriously interfered with by the prevalence of influenza and the prohibitions against public meetings, but the work was speeded up and all essentials completed before adjournment.

Apportionment of School Funds

This is to certify that the County Board of Education does hereby this 9th day of October, 1918 apportion the sum of Three Thousand Five Hundred Forty Dollars and Thirty-Two Cents (\$3,540.32,) received from the State of New Mexico, the same being \$1.16 per capita as shown on the last scholastic census of the county. Chairman County Board of Education.

A Slight Rainfall

Tuesday night this section was visited by a mild rain, the first moisture we have had for a number of weeks. Even though it came too late to do the range any benefit, it had the merit of laying the dust and, possibly, will be the means of bringing about better health conditions.

C. O. Finley and family are here this week from Valentine, Texas. Mr. Finley owns the I-X ranch and has other valuable holdings in this county, which brings him here occasionally.

Spirilla Corsets. Call Phone No. 1. Mrs. G. T. McQuillen, 11-17.

Mrs. A. B. Fall, Mrs. Everhart, a daughter, and Mr. Chase, a son-in-law, have been ill here this week. Senator Fall and family were here during the last illness of Jack Fall, and these members of the family have been unable to return home because of a severe attack of la grippe or influenza.

What Are You Going To Say To The Kid?

Jimmy Albright is a fifteen-year-old bugler in Uncle Sam's Marines. Jimmy was at Chateau Thierry with the boys. The little beggar threw away his bugle, seized a bayonet and went after the Germans. He stuck one, too—and the blade broke in the Boche.

What did Jimmy do?
Stood and howled, with tears running down his face, because he couldn't stick any more Huns.
What are you going to say to the Kid?
"Can't afford it," or are you going to buy

Liberty Bonds to the limit==and then some?

COME AND SEE THE GUNS CAPTURED BY OUR BOYS AT CHATEAU THIERRY

FRENCH "SEVENTY-FIVE," AERIAL TORPEDO, DEPTH BOMB AND OTHER WAR TROPHIES MAKE UP INTERESTING EXHIBIT.

BLOOD-STAINED AND BULLET-RIDDLED UNIFORM OF HUN KILLED BY AMERICAN SOLDIER WILL SHOW YOU HOW OUR BOYS ARE TAKING CARE OF YOUR INTERESTS AT HOME—GAS MASKS USED BY OUR BOYS AS PROTECTION AGAINST THE DEADLY MUSTARD GAS.

Perhaps no other battle waged in the great World War will ever be as deeply impressed in the minds and hearts of the American people as that one fought at Chateau Thierry, when the American soldier covered himself with glory fighting fearlessly—courageously, as Americans always fight. Here the counter-attack of the American forces turned the tide of war in favor of the allies and since that time our forces have steadily pushed their line forward.

Your boy may have been with the American forces that started that never-to-be-forgotten repulse of the German shock troops on the spot that has been the scene of many a titanic struggle since the time of the ancients. Maybe it was your neighbor's boy or some other boy from your home town. He may have been one of the group who captured a machine gun crew of the enemy troops.

At any rate it will not be difficult for you to visualize the activities of your home town boys in that great American victory when you inspect the

Minnenwerfer, or Trench Mortar Gun,

captured by the Marines in that engagement, which is attracting more attention than any other object on the Liberty Loan War Relic Train, making a tour of the Eleventh Federal Reserve District in connection with the Fourth Liberty Loan Campaign. Second in interest is

The Great French "Seventy-Five,"

the big gun used first at Verdun, where it "gave the German the surprise of his life," as a returned war veteran puts it. It bears the marks of camouflage as it was used in that terrific drive of the Hun, which the French armies met and held at that famous spot which will go down in history as one of the world's great battlegrounds. It was at Verdun that the vision of the "White Comrade" spurred the tired and war-worn soldiers of France on to fiercer resistance against the foe, and where with their backs to the wall they fulfilled their vow, "They shall not pass."

Another object of particular interest at this time is

The Depth Bomb, Which is Included in This Exhibit.

This bomb is playing an important part in the transportation of United States troops overseas. It is carried on the torpedo boat destroyers which act as convoys to the troop ships, and are used in warfare against the German submarine. This weapon has been responsible for the sinking of more than one submarine which has attempted to frustrate the moving of United States troops.

Aircraft has become an important factor in modern warfare. Some of the most splendid and daring exploits of young Americans who are defending the principles upon which this nation was founded have been made possible by means of the aeroplane. Can you picture a heavy battle plane, equipped with a Lewis machine gun and carrying several aerial torpedoes, each weighing as much as 250 pounds, and a crew of five or six men? The Lewis machine gun which is used to a great extent in aerial warfare is among the interesting features of the war relic train, as is the aerial torpedo.

Captured German Rifles, Grenade Throwers and a Grantewerfer show the material which the Hun uses when he launches his conquest for world domination.

A Chauchat auto rifle machine gun, along with its magazine, ammunition carrier and other accoutrement of the French infantryman displays the sort of firearms used by the "Blue Devils."

Uniform Worn by Boche Bears Evidence

of good marksmanship of American doughboy. This uniform, blood-stained and showing the wicked slit of a bayonet thrust, will be exhibited along with the field equipment of the German soldier. These objects will be shown in conjunction with the outfit of the United States soldier, and will give a comprehensive comparison of the two, showing the superiority of the American fighting man, in the matter of equipment as well as a fighter.

That "an army fights on its stomach" is fully recognized when an inspection is made of the methods by which the soldier carries his rations. Food and ammunition are the two greatest factors toward the successful outcome of a military expedition. And these, or a portion of these, the soldier carries with him as he moves from position to position along the new line of battle.

There are other exhibits on the train that appeal to the patriotism of all American citizens. Every man, woman and child should make it a point to see these war relics. The week before

The German scientists have developed a new gas which destroys the sight, and our own scientists have devised a means for the protection of our fighting men by utilizing the carbon used in the production of these shells and pits. DON'T WASTE THEM! Wash and dry them and deliver them to the nearest Red Cross organization, which will forward them to the proper destination.

Pay Your Road Tax

I have an appeal from the Board of County Commissioners to collect the road tax on this precinct. The tax is \$5.00, assessed against every automobile man between the ages of 21 and 60 years old. This tax is now due, and prompt payment of the same is requested.
G. T. McQUILLEN,
Collector Precinct 14.

the trains were made up in Dallas hundreds of people visited the building in which the objects were being assembled, and viewed the trophies. The Minnenwerfer gun was placed on display outside the headquarters of the Dallas Liberty Loan Committee and had about it a group of interested spectators every hour of the day. The greatest enthusiasm is being manifested throughout the district regarding the visit of the War Relic Train. An efficient corps of speakers and attendants accompany the train which will be made up of four cars. There are two flat cars carrying the large gun, trench mortar, etc., an automobile car to show the smaller relics and a sleeping car for the speakers and attendants.
