To Members of the University Faculty:

Following is the list of faculty and administrative representatives of standing committees for the year 1969-70 as approved jointly by the President, Academic Vice President, and the Policy Committee. (Hopefully the Faculty-Staff Directory this fall will show the entire committee membership, including students.) Participation in committee work is a right and duty of individuals of all ranks, and faculty members who accept committee membership are expected to take an active part in the work of the committee or committees to which they are assigned.
