Not sure how to keep track of your sources? Join us for a

Zotero Workshop

 HEALTH SCIENCES LIBRARY
& INFORMATICS CENTER

Join a librarian to learn how you can keep track of all your resources in one place and create in-text citations and works cited pages. Find all our workshops, including our first Zotero workshop on Feb. 10th from 12-1, on our [Events page](#).

Zotero is a free citation management tool that allows you to keep track of all your resources in one place, organize materials to meet your needs, and it creates citations for you. Come to this online class to learn how to use Zotero to it's fullest capacity.

Before attending please be sure to create a Zotero account and download the desktop component. Instructions can be found on our [Zotero Guide](#). All registrants will be sent a Zoom link previous to the class. Y

If you have questions or want to schedule a workshop for another time or for your class please reach out to [Kelleen Maluski](#), Student Success and Engagement Librarian.
