VOL IV

BELEN, NEW MEXICO, THURSDAY, JUNE 19, 1919.

NO. XVIII

IN THE DISTRICT COURT OF THE UNITED STATES FOR THE DISTRICT OF NEW MEXICO.

United States of America, petitioner, vs. No. 675 Law. The Pueblo of Acoma and The Indians of the Pueblo of Acoma.

NOTICE OF CONDEMNATION PROCEEDINGS.

To the Pueblo of Acoma and the Indians of the Pueblo of Acoma, and each of them, Greeting:

You are hereby notified that the United States of America has filed in the United States District Court for the District of New Mexico a petition alleging that in the opinion of the Commissioner of Indian Affairs of United States it has become necessary to acquire under authority of an act of Congress approved May 25, 1918, a certain tract of land situate at Acomita, Valencia County, New Mexico, within the Pueblo of Acoma Land Grant, belonging to said defendants, more particularly described as follows:

Commencing at a point 16796 ft. west and 4598 ft. north of the northeast corner of section 1, township 9 north, range 7 west, of the New Mexico Base and Meridian; thence south 3 deg. 32 min. west, 233 ft.; thence south 86 deg. 20 min. east 500 ft.; thence north 3 deg. 40 min. east, 375.3 ft.; thence south 77 deg. 38 min. west to place of beginning, containing 3.5 acres.

That it is necessary and advantageous to acquire title to said tract by condemnation proceedings because in his opinion the Pueblo of Acoma and the Indians of the Pueblo of Acoma are incapable of conveying a full and valid title thereto.

That the said tract is necessary for and is to be used as a site upon which to erect and construct a school building to be used as a day school for the Indians of the Pueblo of Acoma at Acomita aforesaid; that the Commissioner of Indian Affairs through the Secretary of the Interior has requested that this condemnation proceeding be instituted under authority of the act of Congress approved August 1, 1888; that defendant, the Pueblo of Acoma, is a corporation and that the names of the Indians of the Pueblo of Acoma are unknown to petitioner, and that they are all residents of Valencia County aforesaid.

The said defendants are further notified that on August 15, 1919, the said petitioner, United States of America, will present to the United States District Court at the Federal building in Santa Fe, at 10 o'clock a. m., of said day, the Honorable Colin Neblett presiding, its said petition for condemnation, praying the said court to appoint three disinterested freeholders as commissioners to assess the damages which the owners of said tract of land may sustain in consequence of the taking thereof for the uses herein set forth, and to ascertain and appraise the compensation, if any, to be paid for said tract of land.

WITNESS the Honorable Colin Neblett, Judge of the United States District Court for the District of New Mexico, and the seal of said court, this 23rd day of May, 1919.

County Commissioners proceedings.

Special Session June 2, 1919.

The Board of County Commissioners met in special session on June 2, 1919. There were present Hon. Manuel Garcia chairman, Hon. Abel Vigil and Tranquilino Jaramillo members of the board, Placido Jaramillo sheriff, J. P. Batheon deputy assessor and Telesforo Mirabal deputy clerk of the board.

The reading of the minutes of the previous meeting were read and approved.

The board then appointed Fred C. Tondre, Daniel Lucero and Celso Lovato as viewers of the Los Lunas proposed road; a petition presented by several citizens of Belen was referred to the regular meeting.

The board then adjourned and immediately convened as a county board of equalization, to hear protests and appeals of the assessments made by the assessor for the year 1919.

Various persons appeared before the board and made protests as to their assessments; the same being required by the board to be made in affidavit form and to be placed with the return of each protestant to be acted upon by the board when reviewing their respective returns.

Thereupon the board proceeded to review the tax returns for the year 1919, and approved the same, except those as hereinafter set forth, upon which the following action was taken:

THRIFTOGRAMS

Nobody ever got rich tomorrow. Begin saving today. Savings crank up the prosperity engine.

All the wealth in the world is what has been saved by some one.

Savings beget more when they are invested; War Savings Stamps are the finest investment in the world; Thrift Stamps are first aid to investments.

Money saved is money earned. Buy War Savings Stamps. Sharing in the Government is good citizenship. You do that by investing in War Savings Stamps.

Wise buying makes wages count more. Saving is the quickest road to opportunity. Spend wisely, save sanely, invest safely. Buy War Savings Stamps.

Savings Campaign Is Boon To Women

The average family in Texas, Louisiana, Oklahoma and New Mexico is not wealthy enough for the "lady of the house" to have all the little conveniences she wants. Through Thrift and War Savings Stamps, however, the Government has provided a way for the housewife to fit up her kitchen, paint the house, furnish her spare room or embellish the parlor.

Those women who were so wise as to begin saving systematically early in 1918 have nice little sums invested in War Savings Stamps by this time. Eleven War Savings Stamps, some of which cost as little as \$4.12 apiece, will buy a first class kitchen cabinet. In many instances, the housewife would not have saved anything to speak of, had it not been for the War Savings Stamps.

Some of the banner Savings Societies in the Eleventh District are in women's clubs or church societies. Women are quick to grasp the benefits from habits of Thrift. Numerous reports have been received at District Headquarters of the Savings Division at Dallas of women who have started in by putting quarters in Thrift Stamps and who have been enabled to buy desired articles to brighten up their homes. As soon as a War Savings Stamp is bought, it begins earning more money. War Savings Stamps are ready money. They are redeemable with accrued interest at the post office on ten days' notice, but the longer they are held, the more money they make for their holders.

The First Thousand Is Hard To Get

When a man gets \$1,000.00 saved up there are always opportunities for a good investment. It is hard to place much less than that. That is why wealthy men who are self-made advise young men to begin early and save the first thousand.

Until we went to war, it was hard to get started toward that \$1,000.00 unless at least one dollar could be put away at a time. Small change was restless and acrobatic and kept jumping out of our pockets into somebody else's.

Now, however, there is an easy way to get that first thousand. The answer is Thrift Stamps. They cost only a quarter apiece and can be converted into War Savings Stamps. The Government of the United States backs these War Savings Stamps with a guarantee of 4 per cent interest, compounded quarterly. Save and Succeed.

Who Is Best Man To Do Your Work?

The best way to have anything is to do it yourself. The best way to get ahead in the world is—save regularly and invest wisely. Your children may be buying Thrift Stamps but the nickels and dimes and quarters they are able to save won't buy a home or a new automobile or a new cultivator. The money to do that will not be saved—unless you save it.

It's easy enough to save if you do it the W. S. S. way. Quarters planted in Thrift Stamps grow into War Savings Stamps and the interest makes them grow like rain does a summer weed. Save for that happy opportunity. If you're not in a War Savings Society—get in one. Be with the crowd. Save.

WHAT ONE CLASS IS DOING

Ten per cent of the weekly collection of the Loyd Men's Class of the South Dallas Christian Sunday School is put into a sinking fund by investing it in War Savings Stamps. The accompanying picture of the Class was taken Easter Sunday in celebration of the winning of an attendance contest over every other class in the school.

The Class has an active War Savings Society and meets every other Tuesday night. The Class also pays a regular amount toward the support of a Home for Aged Persons and is active in all lines of church work.

What this Class has done, others can do. The Sunday School Class which is also a War Savings Society is laying up money which may be needed at any time and which can always be turned—with interest—on ten days' notice to the postmaster.

Fraternal Orders Strong For Saving

Fraternal orders should take an active interest in the 1919 Savings Campaign in the opinion of Pat M. Neff of Waco, Grand Chancellor of the Texas Grand Lodge, Knights of Pythias. Another enthusiastic over the Savings Campaign is J. W. Chancellor of Bowie, Grand Master of the Texas Grand Lodge, Independent Order of Odd Fellows.

"In the Savings Campaign," Mr. Neff said recently, "the Government has placed the stamp of its approval on the fraternal idea. War Savings Societies are not lodges, strictly speaking, but they are next thing to it. Many of the most successful Savings Societies are in the lodges and the Knights of Pythias are doing their share."

"Texas Odd Fellows had a number of strong War Savings Societies last year," Mr. Chancellor said, "and most of them made excellent records. Wherever possible, it would be a fine idea for the members of the lodge to form themselves into a Savings Society again this year, if they have not already done so."

Numerous lodges of various orders over the Eleventh Federal District not only have Savings Societies but are securing sinking funds by investing in War Savings Stamps as a lodge. The members of these lodges are also buying W. S. S. individually.

Successful Dollar Is One That Works

The dollar that goes to work is the successful dollar. The idle dollar is a failure.

The successful dollar brings back another dollar with it. It makes itself a dollar and something—two dollars and something—a whole family of dollars.

The careless dollar goes off somewhere and is never seen again.

A Texas man the other day lost a life-time's savings—\$786.00. His dollars had gone off in the pockets of two fake stock promoters. He had not bought his dollars to keep good company.

Hundreds of years ago a man to whom a handful of dollars had been trusted buried them in a napkin. He got no increase—he did not even keep what he had. One might as well have nothing as keep an idle dollar.

The dollar that succeeds is energetic—and careful. War Savings Stamps do more than save your dollars. They put them to work at
