Election Day is just around the corner and some people may still need voter information. The League of Women Voters has created a guide to assist voters with all the important information you need to know about voting in this upcoming election. This guide includes information about the absentee ballot process, early voting in person as well as approaching election dates and registration deadlines. In addition, there is information about where your polling place is located, the hours polling places are open for voting and where to drop off your absentee ballot.

Please stop by the Happy Heart Bistro to pick up your copy of the League of Women Voters Guide and make a plan to vote on or by November 3.
