JAPAN TO MODIFY KOREAN RULE.

So Predicts Dr. S. E. Hager, 25 Years a Southern Methodist Missionary in The Orient.

Nashville, Tenn.—That Japan will moderate her rule in Korea is the prediction of Dr. S. E. Hager, recently returned missionary of the Methodist Episcopal Church, South. Dr. Hager has spent more than a quarter of a century in Japan doing religious work. "Japan is learning that her success in giving good government to Korea is fraught with difficulties, and that tolerance and good will must take the place of harsh and severe methods. "The military leaders aim mainly at making their rule thorough and permanent, and naturally there is great temptation to the man of the sword to make his rule severe. "But democratic ideas are growing in Japan, and more temperate treatment of the subject race will come about."

Dr. Hager says the Christian missionaries in the Orient are elated at the success of the Centenary movement, through which the church raised \$53,000,000.00 for missionary work in all lands. Millions of this will be spent in the Orient. Hundreds of new missionaries will be sent and there will be a great advance movement in medical work, education and evangelism.

Constitutional Amendments

Pursuant to H. B. No. 405, being Chapter 138, Laws 1919—The following amendments to the Constitution of the State of New Mexico will be submitted to the qualified voters at the Special Election to be held September 16, 1919.

MANUEL MARTINEZ, Secretary of State

COMMITTEE SUBSTITUTE FOR HOUSE JOINT RESOLUTION NO. 30.

Proposing An Amendment of Section 8, of Article IX of the Constitution of the State of New Mexico, Entitled "State, County and Municipal Indebtedness."

Be It Enacted by the Legislature of the State of New Mexico:

Section 1. That it is hereby proposed to amend Section 8 of Article IX of the State Constitution so as to read as follows:

"Sec. 8. No debt other than those specified in the preceding section shall be contracted by or on behalf of this state, unless authorized by law for some specified work or object; which law shall provide for an annual tax levy sufficient to pay the interest and to provide a sinking fund to pay the principal of such debt within fifty years from the time of the contracting thereof. No such law shall take effect until it shall have been submitted to the qualified electors of the state and have received a majority of all the votes cast thereon at a general election; such law shall be published in full in at least one newspaper in each county of the state, if one be published therein, once each week for four successive weeks next preceding such election. No debt shall be so created if the total indebtedness of the state, exclusive of the debts of the territory, and the several counties thereof, assumed by the state, would thereby be

made to exceed one per centum of the assessed valuation of all the property subject to taxation in the state as shown by the preceding general assessment. The legislature may, however, in order to provide funds for construction and maintenance of public highways and bridges enact laws authorizing the issue of bonds, debentures or certificates of indebtedness, payable at such times as the legislature shall determine out of tax levies, receipt from motor vehicle licenses, or other licensees or revenues, without submitting such laws to the qualified electors of the State, and not withstanding that the indebtedness so created may temporarily increase the total indebtedness of the State to an amount exceeding the foregoing limitation: Provided, that bonds issued for such purposes payable from ad valorem taxes levied upon tangible property shall not at any time exceed the sum of two million dollars (\$2,000,000) except to meet allotments of Federal Funds made to the State to aid in construction and improvement of roads."
