Be Sure to Register for Workshops While There's Still Time!

by Kelleen Maluski on September 21st, 2020 | [0 Comments](#)

There's Still Time!

We still have a couple workshops on Zotero and PubMed with additional sessions on Impostor Syndrome and more. Find information on all sessions and RSVP at goto.unm.edu/hslicevents

NM HEALTH SCIENCES LIBRARY & INFORMATICS CENTER

Now's a great time to learn more about how to use PubMed and keep track of your resources and cite sources with Zotero. We only have 2 more workshops left (PubMed on Friday, September 25th and Zotero on Tuesday, September 29th) so be sure to see our [Events page](#) to find out more information and register! We also have an Impostor Syndrome workshop and other specialized workshops coming up.

If you have any questions about these offerings or suggestions for more please feel free to reach out to our Student Success and Engagement Librarian, [Kelleen Maluski](#).
