Now that the semester is fully under way, are you looking for some print materials to support your coursework, research, or exams? Do you want to access print or media items from HSLIC's collection? Our Pickup Service for print materials could be just the service for you!

In order to provide greater access to the HSLIC print collection, we are providing contactless pickup for certain items in the library's physical collection.

Available items include the 4th floor books and media collection

Pickup times are Tuesday and Friday from 10:00 a.m. to 2:00 p.m.

Holds must be placed by 5:00 p.m. the day before pickup

Limit 5 items per pickup transaction

Items will be held for 2 weeks awaiting pickup, after that, they will be returned to the shelf

For more information regarding how to place an item on hold and the pickup service, see our [Worldcat Discovery Research Guide](#).

As always, you can reach us at [Ask a Librarian](#) if you have any questions.
