Be Sure to Check Out Our Workshops!

by Kelleen Maluski on August 26th, 2020 | [0 Comments](#)

The Library is working to make sure you have the support you need to reach your goals and this includes workshops to assist with a variety of topics. Our [calendar of events](#) is updated regularly and can be found on the Library homepage (to the right of the search box). We currently have classes up for Zotero, PubMed, Impostor Syndrome, and Implicit Bias. Dates, times, and registration information is all listed on our calendar. You can reach out to our Student Success and Engagement Librarian, [Kelleen Maluski](#), if you have any questions, comments, or suggestions.
