SALIENT POINTS IN  
SPEECH OF ACCEPTANCE

"I pledge fidelity to our country and God, and accept the nomination of the Republican party for the presidency of the United States.

"The human element comes first and I want the employers in industry to understand the aspirations, the convictions, the yearnings of millions of American wage-earners.

"The constitution contemplates no class and recognizes no group. It broadly includes all the people, with specific recognition for none.

"We approve collective bargaining.

"Gross expansion of currency and credits has depreciated the dollar. We will attempt intelligent and courageous deflation.

"When competition—natural, fair, impelling competition—is suppressed, whether by law, compact or conspiracy, we halt the march of progress, silence the voice of aspiration and paralyze the will for achievement.

"I promise you formal and effective peace as quickly as a Republican Congress can pass its declaration for a Republican executive to sign.

"I can hear the call of conscience, an insistent voice for largely reduced armaments throughout the world.

"Our vision includes more than a chief executive. We believe in a cabinet of highest capacity, equal to the responsibilities which our system contemplates, whose councils the vice president, second official of the republic, shall be asked to participate."

# ARE YOU MAKING YOUR DREAMS AND HOPES COME TRUE?

What is your dream? Is it to own  
your own home some day? Is it to  
buy a farm for yourself or to set up  
your own business?

Is it your dream to give your child-  
ren a better education than you had  
yourself—to see your boy or girl  
equipped for life by college training?  
In your dreams, are you planning for  
the future of your little people?

When the sun of life is going down,  
is it your dream to have accumulated  
enough to live on in comfort without  
financial worry? Is it your wish to  
have more for the rainy day than a  
worn-out umbrella?

Do you want to own your own car?  
To travel, perhaps, and see something  
of this great country of ours?

What is your dream? You have  
one. Whatever it may be, you will  
certainly need more money than you  
have now to make it come true.

A dream worth dreaming is one  
worth working and saving for. Start  
now to make your dream come true.

Saving will make your dream come  
true. Had you thought of the oppor-  
tunity you have in War Savings  
Stamps and Thrift Stamps to save  
and make that dream real? They are  
Government bonds that rapidly turn  
quarters and dollars into five-dollar  
bills. In denominations from twenty-  
five cents on up, which make saving  
in any amount easy, they can be got-  
ten at the United States Postoffice.

They will help you make your  
dream come true.

## MANY ARE INVESTING IN NEW \$100 CERTIFICATES AT THE POSTOFFICE HERE

Paying interest at the rate of 4 per  
cent, compounded every 90 days,  
United States Government War Sav-  
ings Stamps make saving in large or  
small amounts easy and absolutely  
safe. These Savings Stamps increase  
in value regularly every month and  
they can always be cashed at the post-  
office for the purchase price plus the  
interest they have earned, if the  
money is needed.

The attractive \$100 Registered  
Treasury Savings Certificates, which  
cost eighty-odd dollars this month, can  
also be gotten at the postoffice now.  
Quite a number of these have been  
purchased through the local postoffice  
by people who desire to invest their  
money so that it will be absolutely  
safe and earning good compound  
interest. Like War Savings Stamps,  
the money plus accrued interest can be  
gotten on them if needed.

## SCHOOLMAN MAKES STATEMENT

"No child who leaves the public  
schools without knowing how to live  
on less than he makes is thoroughly  
educated," says J. F. Kimball, Super-  
intendent of Dallas Public Schools.  
The Dallas school children are taught  
how to save their money and they  
own nearly \$75,000 of Thrift Stamps  
and War Savings Stamps. Their  
teachers teach them thrift and saving.

## AN EASY WAY TO SAVE

Five per cent of one's monthly sal-  
ary or wages will build up a very  
tidy sum by the end of the year if  
regularly invested in War Savings  
Stamps and Thrift Stamps. These  
Government securities can't deprec-  
iate in value and they yield interest  
at the rate of four per cent, com-  
pounded every ninety days. They can  
be bought at the postoffice.

## WHERE WILL YOU BE THEN?

When next January 1 rolls around  
and you count up your cash to see how  
you have gotten along in old 1920, are  
you going to be ahead or behind the  
game? If you salt away some of your  
salary in War Savings Stamps every  
payday, you will be ahead of the game  
—way ahead. It is better to save  
than to be sorry.

## HOLD YOUR LIBERTY BONDS

Hold on to your Liberty Bonds. Re-  
member they represent your savings.  
When you sell your Liberty Bonds you  
are spending your savings. Keep them.  
Clip the interest coupons as they fall  
due and exchange them for W. S. S.  
You will be glad you stuck to them.

When was the last time you got a  
War Savings Stamp at the postoffice?  
Remember what happened to that last  
five-dollar bill you "broke." The same  
thing is going to happen to the next  
one. Better put it in a War Savings  
Stamp and not have to say, "If I had  
the money—"

When the end of the year comes  
and they look back over 1920 and see  
how they have spent their money,  
a lot of people are going to wish that  
they had put some of it in War Sav-  
ings Stamps at four per cent, com-  
pound interest.

It is a wise person who saves his  
dollars these days. He is also a wise  
man who salts away a few dollars in  
War Savings Stamps every payday.

The fellow who is holding on to his  
Liberty Bonds and buying more War  
Savings Stamps is not worrying about  
the future.

## Most Economical

Wear—life—service—mile-  
age—safety—comfort. These  
are the things that count in  
a tire.

These are exactly what you  
get in United States Tires,—  
general all-round tire satis-  
faction.

This greater total of tire

values means greater econo-  
my—less cost of maintenance  
—less repairs and depreciation.

Car owners who do their  
own thinking prefer United  
States Tires. Their merit is  
recognized everywhere.

We have them—a type and  
size for every car.

## HOW to FIND THE RIGHT OIL

EACH kind of motor has its peculiar lubricating problem. But even more important, is the condition of the motor.

If it is a new motor, the parts are snug.

If it has been run a short while, the parts have become loosened up.

If it has been run for a long time, the parts are probably well worn.

Each of these conditions requires a different grade of oil.

You cannot place too much importance upon this fundamental Law of Lubrication:

FOR EVERY MACHINE, of EVERY DEGREE of WEAR there is a SCIENTIFIC SINCLAIR OIL to SUIT its SPEED AND CONSERVE its POWER.

Our index, based on this Law, tells you the right oil for every motor and motor condition. Ask the nearest Sinclair Dealer for a copy.
