Truett, pastor of the First Baptist Church of Dallas. Dr. Truett, who is now in Europe for a conference of church workers on post-war religious efforts, specifically recommends the purchase of Thrift and War Savings Stamps and Registered Treasury Savings Certificates.

**INVESTMENTS MUST BE ADVISED, SUPERVISOR OF HIGH SCHOOLS SAYS**

"Texas schools where pupils are taught the necessity of living within their incomes are failing to provide for their efficient citizenship," says Peyton Irving, Jr., State Superintendent of High Schools of the Department of Education. State Superintendent Irving has enthusiastically approved the teaching of thrift in all schools, and most of the teachers are convinced with the Savings Division of the State Treasury in this work.

"But more preaching is not needed," he points out. "When pupils have been taught to save, the job is not complete. They must be shown how to invest. And it is here the moral question arises. For some safe and certain, money-earning investments must be recommended for one can no longer earn wise investment without buying securities that one can master physically without a laboratory. Local investments abound, there is no dearth of persons to take a pupil's money and give a graven pit certificate for it. Yet no teacher could afford to characterize a local oil company as an unsafe investment.

"Under these circumstances patriotism and high ethical ideas go hand in hand with common sense. The thing to do is to recommend the purchase of War Savings Stamps and Registered Treasury Savings Certificates. They are always worth more than they cost; they can be converted into cash at the postoffice any time at a profit, and what is more, their ownership gives, under skillful teaching, a sense of ownership in the government, partnership in the nation, that can not but improve the civic pride and patriotism of our young citizens, boys and girls who will in a dozen years control the destiny of the nation."

**CIVIL WAR BONDS ROSE \$26.90 IN NINE YEARS LIBERTIES BETTER YET**

"Holders of Liberty Bonds who are inexperienced in dealing in securities have been frequently swayed into selling their bonds because they have fallen below the face value," said Dinsmore W. Hume, Federal District Director of Savings for the Eleventh Federal Reserve District. "When they recall paying \$100 for a bond that can be bought in the market for less, they are alarmed, fearing they made a bad investment and not infrequently have been induced to trade their government securities for those of less certain value on the promise of higher returns.

"Bonds will not remain at the present low prices. Civil war bonds sold in 1868 for \$81.20, nine years later they brought \$108.10, an increase of \$26.90 on each \$100 bond, or a rise of 33%. No one who knows anything of our history can be blind to the fact that the country is on a sounder financial basis than in 1868 and every indication points to a greater increase in prices of Liberty Bonds than Civil War bonds ever enjoyed. Wherefore, if those who bought Liberties because they wanted to support the government have as much financial understanding as they have patriotism, they will grab every bond they can carry at present market low prices; they are investments par excellence."

"The individual who has cultivated the habit of thrift and saving secures freedom from financial worries, the effort gives a vision of higher and better things that makes his heart receptive to the Gospel," writes Dr. George W. **TEXAS SCHOOLS MAKE PUPILS STOCKHOLDERS OF THE GOVERNMENT**

Dallas, Texas.—Pupils in six schools in this Texas town will soon have a record in their names that will have a more permanent record than any other. They are being made stockholders of the Government Treasury from the same source as the Texas State Superintendent of public instruction.

Lorena school is represented by the grade taught by Miss Madona Griffin, who had written pupils, and under the encouragement of Mrs. Griffin and Miss Myrtle L. Thayer, a principal, they owned, at the close of school, Thrift and War Savings Stamps to the amount of \$261.50. One high third grade in the Travis School of San Antonio, with thirty-one pupils under Miss Ruth E. Ludlaw, owned \$290. Miss Stella Trawoak's third grade with thirty-six pupils own \$171 of the government's securities, bought as Thrift Stamps and converted into War Savings Stamps.

The Farmersville High School, with sixty-six Stamp owners, reports, according to Superintendent A. M. Blackman and Principal R. Reece, ownership of \$2,999.75 in Government Securities. N. O. Robbins, superintendent of the Jasper schools, entered the high school, with Mrs. Joe McGrath in charge, which owns, according to Mrs. McCarthy \$24.15 in Government Savings Securities. Miss Eva Grizzard of Waxahatchie, according to Superintendent G. E. Winn, had a class of fifty pupils, who on June 1 owned \$3,650.50. Miss Grizzard's pupils own an average of \$72.61 and Miss Griffin's pupils own an average of \$35 each in Government Savings Securities.

"Perhaps other schools may have done as well," said Dinsmore W. Hume, Federal District Director, "but we have not been advised. Certainly these children have learned a valuable lesson as well as accumulated what is to a school child an unusually large sum of money. This work will be continued in the schools next season."

**OIL STOCK IS CERTIFICATE OF DEATH OF FRIENDSHIP**

Brownwood, Texas.—"Did you ever see a fancy engraved, printed-in-gold, death certificate?" asked a salesman of the occupant of an adjoining chair in the Southern Hotel last Sunday. "No?" he inquired, as his neighbor nodded a non-committal answer. "Well, here it is, look at it," he added, exhibiting a \$100 stock certificate in an oil company.

"Did a well come in and somebody drop dead?" asked the neighbor.

"Not that you could notice it. You see a good customer of mine was organizing a company or something. Any way he wanted to sell the stock; I wanted to please him and bought it. Then the bottom fell out; no oil in a hundred miles of our territory. So this is the certificate of the death of our friendship. He hates to see me. I don't like to go in his store. Our friendship is dead and this is a certificate of its demise. I am out one hundred bucks and a customer—total loss and no salvage. My loss, too, is not 'on the house.' Do you blame me for going into mourning?"

Then he lit his cigar and took a speculative draw or two; suddenly he asked, "Would you give me a War Savings Stamp for it?" His neighbor grinned. "Not on your life! But it certainly make a Christian of you. Yet why the War Savings Stamp? An oil speculator turning to War Savings Stamps is going some; what's the idea?" "Boy," said the salesman, "Got a boy at home. Got more sense than the old man. Gave him \$100 on his birthday; he's got it yet, salted away. War Savings Stamps and such. I lost mine. But I'll be game and catch him yet. Wish I'd been taught 'safety first' in investments like he has. That's why I'm for the schools now good and strong, they are getting to be worth the money in this savings business alone even if they did not teach another thing in the world."

**Speculators Incur Heavy Loss Says Dallas Banker**

"More than ninety-five out of every hundred dollars invested in oil stocks is a clear loss," said Nathan Adams, vice president of a Dallas bank with nearly \$30,000,000 deposits. In other words, had every purchaser of \$100 worth of oil stock bought just one War Savings Stamp and burned the remaining \$95.82 of his money, the entire group would have more money on hand than it has today. The Thrift and War Savings Stamps and Registered Treasury Certificates are guaranteed to be worth more any day than they cost; it is the nation's guarantee against the imagination of the stock salesman.

Thrifty people are the happiest people, having no financial worries, they are prepared to work for the church. Are you able to save money? If so, you will succeed. The people should be informed as to Thrift and War Savings Stamps; they make saving easy and convenient."

MEN have all kinds of reasons for liking Spur Cigarettes. Some like them because they're mighty classy-looking—that brown-and-silver package is an eye-winner. Some like them because the paper is crimped—no paste to taste. Some like them because they're a full-packed cigarette—nothing "skinny" about them. Some like Spurs because they're twenty for twenty cents—the rock-bottom price for the highest possible quality.

But what they all shout about and pass along is that they have found at last a cigarette with that good old tobacco taste that lingers in the memory.

Yes, sir, you can sure taste the good Oriental and home-grown tobaccos—and that's the big idea behind Spur Cigarettes.

Now, folks, just don't wait, but try a package of Spur Cigarettes today. It's not as though you were buying a limousine. And if you do find in Spur the cigarette you have been wanting—something that just strikes the spot—it will be the best buy you've made since Hector was a pup.
