ROOSEVELT FIGHTS TO AID DISABLED VETERANS OF WORLD WAR

NEW YORK, Dec. 29.—Colonel Theodore Roosevelt said today that his efforts to improve conditions for the disabled and sick veterans of the world war had run up against a stone wall.

The son of the late president was one of the founders of the American Legion and is a member of the New York legislature. "But every Legion man is in this fight for justice," said Roosevelt. "I myself have done everything I can think of to arouse public interest."

There is nothing which demands more imperatively the attention of the congress and the people of the United States than the care and fair treatment of those soldiers and sailors who have been disabled during the world war.

The honor of the country will be smirched if these men who have made the real sacrifice are not properly taken care of.

The local schools are closed for the holidays. It has been announced that studies will be resumed on January 3rd.

J. W. Dobbs died Saturday afternoon at the home of his daughter, Mrs. H. L. Grither. He is survived by his wife, two sons A. G. Dobbs of Grand Island, Nebraska and J. S. Dobbs of Winslow, Arizona. Funeral services were held Sunday afternoon. Burial was in Terrace Grove Cemetery.

Miss Margaret Shumaker, a teacher in the High School is spending the holidays with her family in Albuquerque.

Mayor and Mrs. Bernard Jacobson left on Friday for Santa Fe, where they will attend the Inaugural Ball given in honor of Governor and Mrs. Merritt C. McChesney, on New Year's night.

Chas. E. McClure, Superintendent of the local schools left for Phoenix, Arizona where he is spending the Christmas vacation with Mrs. McClure.

Other Belenites who will attend the Inaugural Ball in Santa Fe, on New Year's night are Mrs. C. P. Riley and Miss Helene Hoffmann.

Mr. Ira V. Voldt of The First National Bank, spent last week end in Albuquerque.

A dance will be given tonight at the Star Theatre, by some of the local boys.

Mr. C. M. Sanches of this city is at Clayton, N. M. attending to personal matters.

NEW MEXICO WEEKLY INDUSTRIAL REVIEW

Next to the duty of the individual man, woman and child to save and accumulate bank accounts, is the duty of lawmakers to stop the ascending scale of public expenditure, curb the demands of self-expanding officialism, and reduce the fixed charges of government which have

become exorbitant and industrially paralyzing and prohibitory.

TULSA WORLD

The smelter workers of Bartlesville voted to reject the request of the smelter management that they accept a reduction in wages amounting to 50 cents a day per man. The smelters will close down, it is reported, because of condition of the zinc industry is such that they cannot make the expenses under present wage scales. There is something to be learned from this incident. It will not do for all concerned to understand that no investment concern can be operated at a loss. It must at least pay expenses. The smelter employees acted well within their rights. But that does not alter the fact that they rendered a foolish decision.

LOCAL ROAD HOUSE RAIDED

Woman is held following raid

About three gallons of whiskey and other bottled combinations of booze were seized early this week at the road house about a mile northwest of town, commonly known as the "Chicken Ranch" and Mildred Dempsey was placed in jail not being able to furnish bond.

According to Mildred Dempsey's story, there was a great demand for whiskey during the Xmas holidays, it said that during that time she disposed of about \$150.00 worth of booze at fifty cents a drink.

She will be arraigned before United States Commissioner McDonald at Albuquerque, on Friday morning. It is reported by of

SON ARRESTADOS DE NUEVO LOS 16 VILLISTAS

Se hacen Nuevas acusaciones por el condado de Luna.

Santa Fe, N. M., Diciembre 16 —Cualquiera que sea el resultado del recurso de "habeas corpus" que será resuelto mañana, para poner en libertad a los diez y seis villistas que estan cumpliendo sus sentencias, por homicidio en conexión con la incursión hecha por Villa en Columbus, en 1916, dichos presos no podran salir de la prision.

El recurso de habeas corpus, que será visto mañana, fue introducido por los abogados de los prisioneros.

R. A. Lane, diputado sherife de condado de Luna, llegó ayer a Santa Fe, procedente de Columbus y técnicamente arrestó a todo el grupo de Villistas.

En el evento de que la corte declarara legales los indultos, los presos tendrian que continuar en la cárcel.
