Access Resources from Off-Campus

by Robyn Gleasner on March 19th, 2020 | [0 Comments](#)

Need access to a resource? UNM faculty, students, and staff have access to the library's licensed electronic resources 24/7 from off-campus. Even if the

library is closed, you can still access the resources you rely on. This includes ebooks, ejournals, and databases like Uptodate, Access Medicine, and so many more. Take a look at our [Finding Full Text Guide](#) for more information and tips on how to access electronic resources. If you have a question about any of our resources, please [search our FAQs](#) or [Ask a Librarian](#) and someone will get back to you.
