DEFLATION SHOULD BE UNIFORM

Is it natural, is it reasonable that prices of everything, profit of manufacturing and farming should be deflated and only railroad employes remain at the top figure of war prices?

When the farmers calfskin has dropped from two dollars to fourteen cents, when the sawmill price of lumber has gone from forty dollars a thousand to thirteen, shall the brotherhoods be exempt?

We do not blame them if by hook or crook or power of Congress or wage boards or labor organizations they can keep their wages at the top notch while all the rest of us go down to bedrock.

But is it a just proposition that one class alone should take no loss in the great readjustment to normality, and are we not setting a dangerous class precedent if the country backs their demand?

HIGH SCHOOL NOTES

Andre Calhoun and Acher Smith have the record of not being absent or tardy during the first semester.

The game between the Albuquerque high school girls and the local high school girls last Saturday resulted in a victory for the latter. The lineup for Belen was: Katherine Seery, center, Etta Mae Neal, running center, Arista Calhoun and Mary B. forwards, Marcelina Beca and Electa Westfall, guards. The local girls played a fast game and outplayed the visitors.

On last Monday Mr. McClure, Supt. of the Belen schools presented a sack of candy to the girls basketball team in honor of their victory over Albuquerque last Saturday. He also took them to the drugstore for a treat.

The town team defeated the high school boys last Saturday by a score of 27 to 7. The game was hard fought but the high school players could not overcome the lead that the town team gained in the first half.

The class in civics has been organized.

The chemistry class is progressing to the tune of breaking beakers and test tubes. The instructor says that the class as a whole would make a good bunch of boiler makers or blacksmiths. Some of the pupils have learned that acid makes holes on clothes.

LOYALTY OF WOMEN OF SOUTH SHOWN IN "HELD BY THE ENEMY"

Picturization of Wm. Gillette's Celebrated play Notable Screen Achievement

The loyalty and love of the women of the South during the American Civil War is admirably depicted in a new striking Paramount picturization of William Gillette's play, "Held by the Enemy", which will be shown at the Star Theatre on Sunday February 6th.

The locale of the story in a Southern town newly captured by Northern troops. A young widow, who believes that her husband has been slain in battle, falls in love with a young northern Colonel, who protects her from the looters. She is about to accept his proposal of marriage, when her husband appears on spy duty. He is captured by the Colonel, and through out the remainder of the story, the dutiful little wife makes many sacrifices in her attempts to save her husband from death. The culminating situation is one of the most dramatic ever presented on the silver sheet.

The roles are enacted by an all-star cast, including Agnes Ayers, Wanda Hawley, Lewis Stone, Jack Holt, Robert Cain, Walter Hiers, Robert Browers, C. H. Geldert, Josephine Crowell and Lillian Leighton. Beulah Marie Dix wrote the scenario. Donald Crisp directed and C. Edgar Schoenbaum was photographer.

Are YOU One With Us?

One million, five hundred thousand farmers are united in a common cause through the American Farm Bureau Federation. They represent fifteen billion dollars' worth of our national wealth. That is more than the value of all the gold the world has produced in the last sixty years.

These are stupendous figures. Yet the impressive fact is not the size of the figures themselves, but the power they signify. The thoughts, the voices, the strength of one-fourth of the country's farmers joined in a single cause—farm progress! It is a tremendous force for good.

This force that is created by 1,500,000 determined farmers is making itself felt. It is speaking with too powerful a voice to be ignored, too well informed to be dismissed. Congress, Capital, labor are having to listen to the farmer at last because the farmer has found a means of making himself heard. The Farm Bureau Federation has given him that means.

Fall in line! Join the Farm Bureau and help swell the mighty force that has enlisted under the Farm Bureau banner. Its objective is a secure and prosperous farming industry. Help it to guarantee that for you and the six million other farmers of this country.

Before the national body was organized THE COUNTRY GENTLE-

MAN began to support the movement. Its aid has been continued because the editor believes in the soundness, the integrity and the wisdom of Farm Bureau policies and leadership. THE COUNTRY GENTLEMAN always is ready to support and encourage every move that is helpful to farming. That is the purpose of this big national weekly—to make farm life more livable and profitable. It does this through the medium of informative articles, inspiring editorials and practical suggestions.

You need THE COUNTRY GENTLEMAN in your business, in your home life. And it costs only \$1.00 a year—less than two cents for each of the fifty-two big issues. You can mail your subscription to us, inclosing a dollar bill, check or money order.

You're taking the right step when you switch to **Spurs**

YOU can't do it if you've smoked a pack of Spurs, you to go back to other cigarettes. You'll find your old kind flat and uninteresting, and this year's solution.

For Spur's good tobacco taste can't help but win you for keeps. There's rich, mellow Turkish, flavorful Burley and other home-grown tobaccos blended in a new way that brings out to the full the all-round goodness of this top-notch cigarette.

And Spurs top all—all ways. They're crimped. That means slow burn, smooth taste—no paste. The smart "brown and silver" package is three-fold to keep Spurs fresh and fragrant.

Twentycents will prove that Spurs are your kind of cigarettes—top-notch quality at rock-bottom price. The sooner you try them the gladder you'll be.
