Bullet Journaling : Group Support

by Kelleen Maluski on March 14th, 2020 | [0 Comments](#)

As a follow up to our February workshop - come work on your bullet journals with other people and ask any specific questions you might have. There will be stations set up to work on specific techniques or you can free style. This is intended to be a group work space where cohorts can help each other and people can ask questions of their librarian. This is not a workshop. The session will be from **12-1pm on Thursday, March 19th in Library Room 428.**

Snacks and supplies will be provided but quantities will be limited so please [RSVP](#) to help us better understand what's needed. You can also feel free to bring your own supplies, lunch, and/or snacks.

This event is being presented by the UNM Health Sciences Library & Informatics Center and the UNM SOM Offices of Professional Wellbeing.
