HSLIC's Biomedical Informatics Seminar Series Presents Jonathan Eldredge, PhD

by Tamara Wheeler on March 2nd, 2020 | [o Comments](#)

Mark your calendars and invite a friend for Thursday, 3/5/2020 at 9 AM in HSLIC room 228 for an informative BioMISS talk by Jonathan Eldredge, PhD.

At this seminar, Dr. Eldredge will present on the *Integrity of Scientific Evidence* by addressing: What can be learned from historical and contemporary instances of discriminating fake science? How do evidence-based research review processes provide safeguards for scientific integrity? In what ways do certain incentive structures lead to the promulgation of scientific misinformation or disinformation?

The answers to these questions and more will be available next week – see you then!
