TEXAS STATE DEPARTMENT OF EDUCATION WILL AID U. S. SAVINGS CAMPAIGN

Austin, Texas—Cooperation between the State Department of Education of Texas and the Savings Division of the United States Treasury Department for the Eleventh Federal Reserve District for the coming year has been placed on a definite basis. Miss Annie W. Blanton, State Superintendent, approved the program proposed for the school by the Savings Division, assigning a Supervisor to prepare material the Savings Division will furnish teachers.

Representatives of the State Department of Education have presented the Division's school plans to institutions in which teachers of about one hundred counties were assembled during the first week of September. S. M. N. Morris, Chief Supervisor of High Schools, read the program to teachers of fourteen counties in joint institutes at Canyon; Assistant Superintendent E. L. Dolan, explained the plan at Victor, Huntsville and Beaumont and other institutes visited. L. D. Boyden, Chief Supervisor of Rural Schools, included it in his speeches at Beeville, Woodville, Orange and other institutes. W. E. James, Rural School Supervisor presented the matter to institutes at Waxahatchie, Hillsboro, Marshall and other cities.

"Earn, save and invest," said Peyton Irving, Jr., Director's assistant for Education for the Division, is the slogan. Pupils are taught how to care for their business affairs as well as their language, their morals and their physical welfare. They must know it is a privilege, a blessing as well as a duty, to work. They must come to feel intuitively that they must live on less than they earn, and put away savings for future needs; otherwise they face dependency or crime. It is the duty of teachers to see these teachings fruit into action. Savings Securities, Thrift Stamps, War Savings Stamps of the government, and savings banks are to be recommended for pupils to use in preserving and increasing their savings.
