I'd walk a mile for a Camel

The pleasure is worth it. There's no substitute for Camel quality and that mild, fragrant Camel blend.

The fellow who smokes Camels, wants Camels. That's because Camels have a smoothness, a fragrance and a mildness you can't get in another cigarette.

Don't let anyone tell you that any other cigarette at any price is so good as Camels.

Let your own taste be the judge. Try Camels for yourself. A few smooth, refreshing puffs and you'd walk a mile for a Camel, too.

ASKS INDEPENDENCE WITH OR WITHOUT PROTECTION

Manila, P. I. — The people of the Philippines want independence in whatever form they can get it. Manuel Quezon, president of the Philippine senate, declared in an address before that body.

"Let the Americans in the Philippines and those in the United States know that the people of the Philippines covet their freedom, liberty and political emancipation so much that they will not hesitate to receive from the Congress of the United States complete and absolute independence without protection," Quezon said.

"If the United States, dictated by its own interests, decides to extend protection to the Philippines, well and good. We would accept that as a solution of our problems. If not, let us have absolute independence in whatever form we can get it."

President Quezon declared that if the question were put before the Filipinos for a vote, 98 per cent would favor absolute independence.
