"Section 5. The regular biennial session of the legislature shall begin at twelve o'clock, noon, on the first Tuesday of February next after each general election. No regular session shall exceed sixty days and no special session shall exceed thirty days."

"Sub-Section (B). All moneys received on account of the state from any source whatsoever, shall be paid into the treasury thereof."

"Sub-Section (C). The legislature shall not appropriate any money out of the treasury except in accordance with the provisions of this section."

"Sub-Section (D). On or before the 15th day of January in each year next proceeding the regular biennial session of the legislature, every department, institution and agency of the State, except the legislative department, shall submit to the governor of the state a detailed statement showing actual revenues and expenditures for the two fiscal years intervening since the last regular session of the legislature, together with estimates of appropriations required to meet the financial needs of such department, institution or agency, itemized as the governor may require."

"Sub-Section (E). On or before the twentieth day of every regular session of the legislature, the governor shall prepare, and shall submit to the legislature, a budget containing a detailed statement and estimate of all anticipated revenues of the state; and a complete plan of proposed expenditures for the state government, during the ensuing biennium."

"Sub-Section (F). For the purpose of preparing his budget, the governor shall have power to require any board, commission, officer or department to furnish him with any information which he may deem necessary."

But nothing herein shall in any manner affect the provisions of Section 22 of Article IV of the Constitution, or be construed as preventing the governor from calling special sessions of the legislature as provided by Section 6, of Article IV, of the Constitution, or as preventing the legislature, at such special sessions, from considering any emergency appropriation or appropriations."

I ought to know  
I grow tobacco

You can't beat a Camel, because you can't beat the tobacco that goes into Camels.

That's why Camels are the choice of men who know and love fine tobacco. They know what makes Camels so smooth, so fragrant and mellow-mild.

They'll tell you that the expert Camel blend of choice Turkish and Domestic tobaccos makes a cigarette smoke you can't equal—no matter what you pay.

But it doesn't take an expert to tell Camel quality. You'll spot it the very first puff. Try Camels yourself.
